## **More Than Him More Than Series Book English Edition:**

The Hymnal Christopher N. Phillips, 2018-08-01 Understanding the culture of living with hymnbooks offers new insight into the histories of poetry literacy and religious devotion It stands barely three inches high a small brick of a book The pages are skewed a bit and evidence of a small handprint remains on the worn cheap leather covers that don't quite close The book bears the marks of considerable use But why and for whom was it made Christopher N Phillips's *The Hymnal* is the first study to reconstruct the practices of reading and using hymnals which were virtually everywhere in the eighteenth and nineteenth centuries Isaac Watts invented a small words only hymnal at the dawn of the eighteenth century For the next two hundred years such hymnals were their owners constant companions at home school church and in between They were children's first books slaves treasured heirlooms and sources of devotional reading for much of the English speaking world Hymnals helped many people learn to memorize poetry and to read they provided space to record family memories pass notes in church and carry everything from railroad tickets to holy cards to business letters In communities as diverse as African Methodists Reform Jews Presbyterians Methodists Roman Catholics and Unitarians hymnals were integral to religious and literate life An extended historical treatment of the hymn as a read text and media form rather than a source used solely for singing this book traces the lives people lived with hymnals from obscure schoolchildren to Emily Dickinson Readers will discover a wealth of connections between reading education poetry and religion in Phillips's lively accounts of hymnals and their readers

## Embracing the Tune of Term: An Emotional Symphony within **More Than Him More Than Series Book English Edition**

In a world eaten by displays and the ceaseless chatter of fast communication, the melodic beauty and emotional symphony developed by the written word often fade in to the backdrop, eclipsed by the constant sound and distractions that permeate our lives. However, set within the pages of **More Than Him More Than Series Book English Edition** a wonderful literary value filled with raw emotions, lies an immersive symphony waiting to be embraced. Constructed by an elegant musician of language, that captivating masterpiece conducts visitors on an emotional journey, well unraveling the concealed melodies and profound impact resonating within each carefully crafted phrase. Within the depths with this moving analysis, we will discover the book is key harmonies, analyze their enthralling publishing style, and surrender ourselves to the profound resonance that echoes in the depths of readers souls.
