He's sensitive, caring, and loyal. Easy to fall for. Did the book meet my expectations? No, it exceeded them. Most of the billionaire stuff I've read is not my cup of tea; these brothers, however, hold my interest and actually have me wanting the next story. Kelly E. Loved the protective hero vibe. Making a dreamy man come to life on the pages. That's a fantastic accomplishment. It's a five-star read and a five-star spice for me. I definitely appreciated the steamy and naughty office playtime in this book. Terri D. What people said about *Sinful Duty* book one. After checking out several books that were sitting on my Kindle, this one got my attention from the first few pages. I honestly wasn't sure about it since billionaire romances are usually a hit or miss for me, but this one turned out to be a hit. I hadn't read the blurb before diving in, so I really wasn't too sure what to expect from this story. I'll admit that a few chapters in, I thought that it might turn out to be another predictable billionaire forced marriage romance, but it wasn't at all. Daniel Dufort is being blackmailed into marriage, but that's not entirely the focus of this story. It's when Daniel meets romance author Harper Kane at his Hawaii hotel that this story really takes off. The attraction between Daniel and Harper is instant, and it isn't long before Harper has Daniel questioning all of his priorities. This book is steamy, a little angsty, and has a touch of suspense to keep you turning the pages. *Sinful Duty* is the first book that I've read by Juliette N. Banks, and it's the first book in The Dufort Dynasty series, and I can't wait to read more. Tammy. But First Let's Read Bookstagrammer and Amazon top reviewer. **Touch of the Billionaire 2** Danielle Jamesen, 2016-09-05. Adrian was still getting settled into her routine of shuttling Courtney to school and getting to work on time. Andrew Cole and more to the point, his assistant Marie had been more than patient with her as she juggled all of her new priorities. She had immediately started the habit of packing her own lunch when she packed Courtney's, and she hoped it would save her a noticeable amount of money. There was a large breakroom on her floor at work, and she was also hoping to meet a few people because the space was usually pretty crowded between 11:30 and 1:30. Marie was very kind as she passed off the information she had regarding the upcoming foundation luncheon, as well as details about other past events. Adrian was grateful that Marie seemed to be on her side and did not feel a sense of competition with her. She had been worried when she first learned that Marie used to handle the events, but the older woman seemed happy to have the help. **WARNING: Mature readers only.** Search Terms: alpha male romance, billionaire romance, contemporary romance, young adults romance, bad boy romance, romance short stories, second chance romance, steamy romance, hot romance, books, love story, office romance, boss romance, beach reads, new adult, billionaire romance books, contemporary romance books, romance stories, fiction books, romance novels, steamy romance novel, books, romance, romance adult, romance novels, romance books, hot alpha male romance books, steamy romance books, books, romance, hot romance novels to read, love story books. *Secrets and Lies* S.E.
