**The Story of My Life** Dosebai Cowasjee Jessawalla,1911      **The Story of My Life** Helen Keller,1921      **My Life Story** Becky Lynn Black,2014-02-17 My Life Story by Becky Lynn Black isn't a celebrity autobiography It's better Becky's story is a testimony We are promised we can overcome through the word of our testimonies Rev 12:11 A testimony doesn't just tell a story to satisfy curiosity It presents a divine call The story in this book will call you to put God first especially in your marriage It will call you to mission It is in fact the Gospel story God loves you died to save you and calls you to join Him in the ministry of reconciliation No matter where you go or what problems you face God will be with you He will not remove all your troubles but He will work through you no matter what When Becky Lynn Black went home to glory it was not a victory for the cancer that tried to conquer her It was God's victory over death shown in the life of His servant Becky Lynn Black was the daughter of missionary parents to Ethiopia and my wife for 37 years Her life was a story that only God could have written It is a powerful tale of sacrifice struggle hope and ultimate victory Her life changed my view of serving God and will certainly challenge yours David Alan Black Dr M O Owens Jr Chair of New Testament Studies Southeastern Baptist Theological Seminary      *The Story of My Life* Sir Richard Temple,1896      *Story of My Life* William Taylor,1895      *Story of My Life* William Smith Turner,1904      **Story of My Life** Matthias Loy,1905      **Touching Stories of My Life in Journey to Christian Holiness and Hands-on Patient Care in a Weeping Healthcare** Ramsis F. Ghaly FACS, MD,2019-08-26 This is the twelfth book of the series Christianity and the Human Brain It integrates the neuroscience and the Bible the Holy Book of our Lord Jesus My love for our Lord Jesus Christ abides with my lifetime passion for neurosurgery and medicine my continual obsession of spiritual connectivity of the Holy Spirit to the human brain that indeed separates mankind from all other living creation It has been my belief that the human brain does not limit itself to the physical skull but rather extends in a nonphysical form to the outside spiritual world even while living on earth In other words a big part of the human brain is actually outside the skull and the body As I perform brain surgeries for three decades I realize my theory is so true The majestic human brain can't be just the 1,500 grams of jelled matter inside the skull The human journey therefore is transforming the human brain to become a brain of a man of God and the hand of man to a hand of a man of God The spiritual human brain never dies only the flesh It is the center of my calling and unrelenting meditations while roaming in the heartfelt spirit lacking the physical proof that science demand of me My life is dedicated to my Lord Jesus patients and residents As a physician I have reached the top in America I am a professor of both neurological surgery and anesthesiology and I am well published in famous medical journals As an academic teacher I trained for more than thirty-four years graduating thousands of trainees But all is nothing as I strive for the Christian holiness and fullness In a weeping healthcare with many patients falling victims I included actual patients miracles testimonials and sincere quotes as a testament to the Almighty and the dire need for faith and integral goodhearted medicine This book is full of many vibrant stories that I love to

share It is timely since I consider my generation soon will be viewed obsolete to the future generations and what will remain are the books I authored The book is a text of wealth covering broad and diverse topics of my life s journey in 134 chapters and organized over 14 sections So many chapters are written about my special love for Lord Jesus Christ and His children In poems deep reflections and spiritual release of mind I wrote extensively In fact I shut my senses and impersonated the human brains of the men of God and the children of the Most High in their prominent biblical stories A special section is dedicated to the mothers newborns and little children While my soul is grieving a section is designated on the ongoing Christian persecution especially the genocide of Christians in my country Egypt the ancient region of the Middle East and the oldest historic continent of Africa Furthermore I wrote some of my dreams and thoughts that I couldn t otherwise convey for one reason and another such as neuroscience in aerospace and some of the timely touching subjects like drug overdose human trafficking and healthcare crises Few chapters included are about my personal views and introducing spirituality into the recent turmoil in politics Friends human life starts with love and ends with eternal love for our Savior It is never enough to share our love write about love and talk about actual love stories of heavenly roses joy Christmas healing touch miracles and our calling for his purpose This is what my twelfth book is all about **Let Me Tell You about My Life Story and My**

**Living Testimony** Paula Stewart-Williams,2020-11-02 This book speaks about what my life has been like since I ve been in the United States I talked about what my marriage was like and the struggle that I went through with my mental illness and how I was treated while I was going through my sickness what got me to start serving the Lord and how God was blessing me even when I did not deserve it my trials and tribulation how he brought me out What led me to be fully committed to the Lord How I did what I had to do to take care of my son and to make sure he was okay If you are a mother you will understand where I m coming from If I had to do it all over again for my son I would but do things differently I also speak about my past relationships and how my grandmother was truly a blessing to me in the time of need I was at my sick age but I took the plane by myself to go to Jamaica to be with my son I with God on my side brought him back home where he belongs with his mom Also how I got a second chance at life from the Lord I speak a little about me and my family but that does not mean I do not love them I do love all of my family and I hope when they re reading this book they will see things from my point of view
