*A Nocturnal Meeting: My Lustful Adventures* Ramrod, The episode I am about to relate happened when I was still a very young man not over expert in the pursuit and methods of amorous pleasure and with my tastes still crude and my powers only suspected and quite undeveloped True I had made acquaintance with the mysteries of the female form by the medium of an occasional rough and tumble with one of the maids and later had been promoted to the dignity of rogering a willing friend of my sister s but these damsels were all plain not fancy fuckers and had no idea of employing anything but a naked cunt for the delights of fornication They seemed perfectly satisfied with a straightforward hump and would certainly have been horrorstricken at the suggestion of those amenities in which I afterwards became a connoisseur My first awakening to the extended possibilities of coition came in this wise Passing one night along a rather unfrequented thoroughfare I was fortunate enough to rescue two ladies from the grasp of a couple of roughs who had bailed them up intent on plunder A quick dash and a hurried blow or two sent them off in a flurry and I turned to reassure the distressed beauties One was a lady of ripe charms with flowing figure and a face still handsome and attractive The other was a charming girl of about nineteen who proved to be her daughter The elder woman still well under forty looked desirable enough to give any fellow a satisfactory cockstand They were profuse in their gratitude not the less probably because they noticed I was young scarcely more than a boy and as they were good enough inform me afterwards by no means bad looking They suggested I should accompany them home which of course I was nothing loth to do No young fellow dislikes being petted and made much of by a couple of amiable women I hadn t the least idea however of the good fortune that awaited me When we arrived at the house they would not hear of my leaving without entering It was evident from the interior they were in easy circumstances and I ascertained they were the only occupants except for the servants Once inside Mrs Aintree as I will call her embraced me warmly kissed me repeatedly and exclaimed How can I thank you my dear Mr Temple we had exchanged names on the way You have saved us from being robbed and probably worse We were too terrified by those hooligans to scream for I feared if we did the brutes would knock us about and very likely after they had plundered us we should have been thrown on our backs and ravished Oh to think of being mauled by those ruffians The good lady shuddered but somehow I already had a faint suspicion it was not the idea of being fucked out of hand she objected to so much as the fucksters In the full light I could better appraise the charms of my new friends It certainly did not conduce to a feeling of monastic calm on my part to have a full voluptuous bust pressed warmly against me or to perceive when my arm went involuntarily round her waist one leg gripped between a pair of solid thighs and behind them a big soft bottom Nor was it likely to lead to excessive self control to notice a handsome well built girl standing by with moist eyes coral lips and flushed face evidently highly approving and enjoying her mother s abandon I of course modestly disclaimed having done anything in particular and airily asserted those sort of fellows were ready enough to tackle lonely women but not a resolute man

Ramod,1981      **My Lustful Adventures** `Ramrod',2003-10-01 Passing one night along a rather unfrequented thoroughfare I was fortunate enough to rescue two ladies from the grasp of a couple of roughs So begins this tale of Harry Temple a young man not yet out of his teens The two ladies a mother and a daughter of some standing in society show their gratitude to young Harry in a most educative manner In one of the most extraordinary nights of his life Harry is introduced to an astonishing array of amorous delights the likes of which had never entered his lustful thoughts Interspersed with the account of his sport with the two lovely women are accounts of how they lost their Victorian prudishness and came to appreciate the refinements of carnal pleasure Unexpurgated      **My Lustful Adventures** Ramrod Ramrod (pseudonym),2014-12-13 When young Harry gallantly comes to the rescue of two woman helpless at the hands of two ruffians intent on plundering and ravaging their persons daughter Rose and mother Ethel are only too willing to invite their young hero back to their redbrick mansion for a grand display of gratitude Much to his surprise Harry soon finds his personage wedged between the two globes of Ethel s substantial bosom with Rose s tongue in his mouth and a dainty finger in his oh my What follows is a two day display of Bacchanalian proportions as Harry is made to spend numerous and variously for mistress maiden and even maids This raucous tale of revelry and debauchery tips a fine hat to the excesses of the enlightened sexual freedom and abandon of post Victorian England s high society far from prudish and further from proper Written by the pseudonymous Ramrod published in 1911 and containing graphic descriptions of all manner of deed and device My Lustful Adventures will be sure to titillate and tantalise today as it did over 100 years ago      My Lustful Adventures Ramrod,2013-02-01      **My Lustful Adventures** Anonymous,Ramrod,1996      **Clandestine Erotic Fiction in English 1800-1930** Peter Mendes,2016-12-05 This work offers bibliographical descriptions of all printings of erotic fiction in English issued clandestinely during the period 1800 1930 By clandestine is meant books whose publishers and printers attempt to hide their identities usually by offering title pages whose misleading places and dates of publication may shock and amuse but which always aim to mystify Using internal and external evidence an attempt is made to establish who were the printers booksellers and publishers English and Continental involved in this trade The printing families or groups into which a large percentage of the material falls are classified accompanied by illustrations which identify the main printing characteristics house styles of the groups Bibliographical descriptions follow a checklist of clandestine catalogues these provide valuable evidence for dating pricing and sales pitch and information on items of which no copies can now be traced The work concludes with a series of appendices which provide significant external evidence and three indexes of themes titles and names Peter Mendes original research builds on and significantly extends the essential pioneer work of the Victorian collector and bibliographer H S Ashbee Pisanus Fraxi      *A Nocturnal Meeting* pseud RAMROD,1900      **A Nocturnal Meeting** pseud RAMROD,1900      **A Study of Erotic Literature in England** W. v. Murat,2019-09-24 The present work fills a gap as it attempts to offer a history of erotic literature published in the United Kingdom The word Study in the title is perhaps a bit exaggerated as the

material is largely taken from the now well known bibliographies by Pisanus Fraxi Henry Spencer Ashbee and quotations from the books themselves The time line is WW II Who was the author He may have been Charles Reginald Dawes 1879 1964 who is supposed to have written but not published a text of this or a similar title His profession or his activities are not known he once called himself a writer but library catalogues credit him only with two publications *The Marquis de Sade* Paris 1927 and *Retif de la Bretonne* London 1946 privately printed He may have been a popular writer under pseudonyms though Dawes owned a good erotica collection which he willed to the British Museum Library that would explain why the author of this Study if he was Dawes could quote freely from erotic texts which only few of his contemporaries would have had available The main merits of this book are that the author was thoroughly familiar with English and French erotic literature and that he put his material in chronological order and in context The editor added a number of references illustrations and indices of personal names and titles to facilitate navigation
