Discovering Science Through Inquiry: Matter Kit Rachel E. Green, 2010-05-12 The Discovering Science through Inquiry series provides teachers and students of grades 3-8 with direction for hands-on science exploration around particular science topics and focuses. The series follows the 5E model: engage, explore, explain, elaborate, evaluate. The Matter kit provides a complete inquiry model for the exploration of the structure and properties of matter through supported investigation. Encourage students through activities such as studying the chemical properties of matter and investigating whether household items are acids and bases. Matter kit includes 16 Inquiry Cards in print and digital formats, Teacher's Guide, Inquiry Handbook. Each kit includes a single copy; additional copies can be ordered. Digital resources include PDFs of activities and additional teacher resources including images and assessment tools, leveled background pages for students, and video clips to support both students and teachers.

Class 9: Daily Practice Problems for NTSE, NEET & JEE Foundation (All in One) Career Point Kota, 2021-12-14 Career Point Kota is one of the first institutes of the country to start DPP concepts for its classrooms, considering the daily practice requirement of the students. Keeping in mind the daily practice needs of the students across the nation at large, we have come up with DPP Books integrating Daily Practice Problems Sheets. The primary focus of this series is to give gradual and daily practice to students through selected questions so that they learn and understand the subject while the course progresses. It helps students remain engaged and regular in studies. Practice Problems Sheets having specific questions on various topics of the individual chapter ensuring the complete practice of the chapter. It is our strong belief that if students work hard on each of the DPP Sheets, he/she can improve his/her learning and master a subject. At Career Point, we also follow this book in our Classroom Courses. We have tried our best to keep errors out of this book. Though we shall be grateful to readers who point out any errors and/or make constructive suggestions. We wish to utilize the opportunity to place on record our special thanks to all members of the Content Development team for their efforts to create this wonderful book.

Features of this book: Cover all subjects' concepts, 1700+ topic-wise chapter-wise questions. Prepared by Career Point Kota experts.
