Abigail G. Scheg, Tamara Girardi, 2017-11-21 One dimensional television characters are a thing of the past today's popular shows feature intricate storylines and well developed characters From the brooding Damon Salvatore in *The Vampire Diaries* to the tough minded Rick Grimes in *The Walking Dead* protagonists are not categorically good antagonists often have relatable good sides and heroes may act as antiheroes from one episode to the next This collection of new essays examines the complex characters in *Orange Is the New Black* *Homeland* *Key Peele* *Oz Empire* *Breaking Bad* *House* and *Buffy the Vampire Slayer* Horrors and Atrocities of the Great War (Illustrations) Logan Marshall, Philip Gibbs, Gilbert Parker, Vance Thompson, Inasmuch as ye have done it unto one of the least of these my brethren ye have done it unto me Jesus of Nazareth The sight of all Europe engaged in the most terrific conflict in the history of mankind is a heartrending spectacle On the east on the south and on the west the blood lust leaders have flung their deluded millions upon unbending lines of steel martyrs to the glorification of Mars We see millions of men taken from their homes their shops and their factories we see them equipped and organized and mobilized for the express purpose of devastating the homes of other men we see them making wreckage of property we see them wasting with fire and sword the accumulated efforts of generations in the field of things material we see the commerce of the world brought to a standstill all its transportation systems interrupted and still worse the amenities of life so placed in jeopardy for long generations to come that the progress of the world is halted its material and physical progress turned to retrogression Inasmuch as ye have done it unto one of the least of these my brethren ye have done it unto me But this is not the worst We see myriads of men banded together to practice open violation of the very fundamental tenets of humanity we see the worst passions of mankind murder

theft lust arson pillage all the baser possibilities of human nature coming to the surface Outside of the natural killing of war hundreds of men have been murdered often with incidents of the most revolting brutality children have been slaughtered women have been outraged killed and shamefully mutilated And this we see among peoples who have no possible cause for personal quarrel Inasmuch as ye have done it unto one of the least of these my brethren ye have done it unto me To all human beings of normal mentality it must have seemed that the destruction of the Lusitania marked the apex of horror There is indeed nothing in modern history nothing at least since the Black Hole of Calcutta and some of the indescribable atrocities of Kurdish fanatics to supply the mind with a vantage ground from which to measure the causeless and profitless savagery of this black deed of murder To talk of warning having been given on the day the Lusitania sailed is puerile So does the Black Hand send its warnings So does Jack the Ripper write his defiant letters to the police Nothing of this prevents us from regarding such miscreants as wild beasts against whom society has to defend itself at all hazards There are many reasons but not a single excuse for the war When a man or a nation wants what a rival holds and makes a violent effort to enter into possession thereof right and conscience and duty before God and to one's neighbor are forgotten in the struggle Man reverts to the brute Loose rein is given to passion and the worst appears The fair edifice of sobriety and amity and just dealing between man and man upreared by civilization in centuries of travail is rent asunder stone from stone The inner shrine of the inalienable sense of human brotherhood is profaned One cannot reconcile with any program for the lasting accomplishment of good and the victory of the truth this fever of murder on a grand scale this insensate madness of pillage and slaughter that goes from alarm and counter alarm to overt acts of fiendish and sickening brutality palliated because they are done by anonymous thousands instead of by one man who can be named Inasmuch as ye have done it unto one of the least of these my brethren ye have done it unto me It is civilization that is being shot down by machine guns in Europe That great German host is not made up of mercenaries nor of the type of men that at one time composed armies There are Ehrlichs serving as privates in the ranks and in the French corps are Rostands A bullet does not kill a man it destroys a generation of learning
