Israel S Inalienable Possessions:

Israel's Inalienable Possessions David Baron,2012-10 David Baron 1857 1926 a leader in the Messianic Judaism movements of the Jewish Enlightenment period in Europe gives the significance of the name Israel and goes to the prophetic scripture to reveal the import of why the gifts and calling of God to Israel will be irrevocably fulfilled in the future **Key Questions about Christian Faith** John Goldingay,2010-11 A biblical theologian explores what the Old Testament says about twenty five important questions of the Christian faith drawing practical sensible applications for today s church **The Archaeology of Ancient Israelite Knowledge** Robert S. Kawashima,2022-07-05 The Archaeology of Ancient Israelite Knowledge reconstructs in carefully researched detail the worldview of the ancient Israelites writers responsible for the Hebrew Bible What was the role of God in their lives How did they see the relationship between God nature and themselves Contrary to prevailing scholarly understanding Robert Kawashima argues that the ancient Israelites saw God in a radically different way than the peoples around them God no longer interconnected everything humans nature but became seen as sharply separated from nature Elegantly written and powerfully argued The Archaeology of Ancient Israelite Knowledge is essential reading for anyone wanting to grasp the Hebrew Bible and the ancient world that gave rise to it [The Antiquities of Israel](#) Heinrich Ewald,1876 An exposition of the Jewish laws as found in the Pentateuch cf Translator s pref **Israel in the Plan of God** David Baron,2000-11-17 David Baron was raised in a devout Jewish family and studied Hebrew in rabbinical school After completing his own study of the Scriptures he converted to Christianity and devoted himself to a twofold ministry explaining Christianity to the Jews and explaining the Jews to Christianity These two objectives form the basis for his classic work Israel in the Plan of God Israel s past and future from her national election by God to the final judgment of her enemies is covered in the balanced biblical study of this astute scholar **People, the Land, and the Book** ,1905 *The Twelve Prophets* Alberto Ferreiro,Thomas C. Oden,2014-02-19 The church fathers mined the Old Testament throughout for prophetic utterances regarding the Messiah but few books yielded as much messianic ore as the Twelve Prophets sometimes known as the Minor Prophets In this rich and vital ACCS volume you will find excerpts some translated here into English for the first time from more than thirty church fathers **The Book of Judges, with notes and intr. by J.J. Lias** John James Lias,1882 *Book of Judges* John James Lias,1889 **Israel's Messenger** ,1926 **The Book of Jeremiah** John Goldingay,2021-12-07 Of the Major Prophets Jeremiah is perhaps the least straightforward It is variously comprised of stories about the prophet Jeremiah exchanges between Jeremiah and Yahweh and messages directly from Yahweh meaning a consciousness of form is essential to the understanding of its content At times it is written in poetry resembling Isaiah while at other times it is written in prose more similar to Ezekiel And it is without doubt the darkest and most threatening of the Major Prophets inviting comparisons to Amos and Hosea John Goldingay a widely respected biblical scholar who has written extensively on the entire Old Testament navigates these complexities in the same spirit as other volumes of the New

International Commentary on the Old Testament series rooted in Jeremiah's historical context but with an eye always trained on its meaning and use as Christian Scripture After a thorough introduction that explores matters of background composition and theology Goldingay provides an original translation and verse by verse commentary of all fifty two chapters making this an authoritative and indispensable reference for scholars and pastors as they engage with Jeremiah from a contemporary Christian standpoint
