Lasagna Recipe And No Ricotta:

Nephew, You Got the Kitchen Stankin Karl Cunningham, 2011-12-08 Ok so you never liked onions but you need them for flavor Maybe you're not a big Jesus fan either but yeah you'll need Him too For the record this book is not at all about Jesus or onions but it has everything to do with moments in time that inspired me to cook the way I do I hope you enjoy the real life true stories accompanied with many of the recipes many friends and family have enjoyed over the years Personally I don't know how many times I've been invited to cook a meal at somebody's house and they didn't have an onion somewhere If you're not an onion lover you'll need to add this little buddy in the future to your grocery list I assure you Nevertheless find a cozy nook ladies and gentlemen and settle down as you read in the pages ahead to the little abstractions that make enjoying food that much better Then after perusing said obscenities try a recipe for yourself The stories behind each motivated me to cook that way and for some reason it just tastes so good But this is not the end my friends and fans The 1st Book of Stankin is just a chapter with more to follow in my second book complete with more stories and recipes that explore beef lamb pork breakfast brunch and vegetables But for now always think of the aromas and colors of your childhood and there begins the art of cooking with soul and love See you in Book 2
