Honorable Heritage Billy Boyd Lavender,2015-04-17 Most families have their share of stories and folklore In the case of author Billy Boyd Lavender one of the most intriguing of these stories revolves around a murder mystery from 1905the deaths of two of his ancestors and the mob lynching that soon followed those deaths Told from information provided by Lavenders mother Ruby Neal Hardigree Lavender and with support from historical documentation Honorable Heritage recalls events that occurred on a forty one acre tract of land in Watkinsville Georgia that would become the farm where Lavender grew up There his great great grandparents were murdered in the course of a robbery In response the premature actions of a mob muddied the truth of events for years to come and resulted in the death of an innocent man In addition this work of narrative nonfiction presents a chronology of Lavenders family history dating back to colonial America and the Revolutionary War It also explores his personal history sharing recollections of times gone by Focusing on the early twentieth century Honorable Heritage offers a detailed family history and a true story of murder and a miscarriage of justice
