S. Pearsall, 2014-11-18 Bacon has long been one of the most popular and prominent components of American table fare Bacon and eggs just rolls off your tongue long before the waitress at your local diner can get your cup of coffee set before you The BLT celebrates all that's right with one of the summer's simplest sandwiches And burgers Well why have a cheeseburger when you can have a bacon cheeseburger Building on those red white and blue foundations author Jennifer L. S. Pearsall has taken all the savory smoky sweet goodness that is bacon and elevated its status Working this succulent cured meat into dishes ranging from comfort to extraordinary basic to complex and across the spectrum of breakfast lunch appetizers dinners

and desserts yes desserts Pearsall has taken the uses of bacon to new heights As she puts it I can't think of anything bacon doesn't work with There's just something about it that seems to complement every other food it comes in contact with and across the range of sensations we normally associate with taste salty sweet sour and bitter But during Pearsall's time in the kitchen putting together this book she found that bacon also qualifies as umami that fifth taste sensation that roughly translated simply means good flavor Sure bacon can be a dominant feature in something like a well topped burger a place where you really want to taste the bacon as a whole But dice it fine and work it into a dessert crust a bread dough pulled pork anything and now you've got a dish that just has something Something more than it did without this wonderful meat Skyhorse Publishing along with our Good Books and Arcade imprints is proud to publish a broad range of cookbooks including books on juicing grilling baking frying home brewing and winemaking slow cookers and cast iron cooking We've been successful with books on gluten free cooking vegetarian and vegan cooking paleo raw foods and more Our list includes French cooking Swedish cooking Austrian and German cooking Cajun cooking as well as books on jerky canning and preserving peanut butter meatballs oil and vinegar bone broth and more While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home *The New Best Recipe*, 2004 From the editors of Cook's Illustrated
