Journal Of The Wexford Historical Society No 14:

Famous Wexfordians Liam Gaul, 2019-05-06 Much has been written and reported on the broad canvas of the history of County Wexford over the centuries but Famous Wexfordians seeks to revitalise interest in some of the principal players that have almost faded into obscurity This book tells the story of maritime adventurers sports personalities artists musicians soldiers political leaders and princes of the Church who have all left an indelible mark on the south east corner of Ireland Author Liam Gaul offers a thorough and absorbing account of Wexford's lesser known history through these who have lived in and visited the county The Journal of the Friends' Historical Society Friends' Historical Society, 1906 *Social change and everyday life in Ireland, 1850-1922* Caitriona Clear, 2013-07-19 Men and women who were born grew up and died in Ireland between 1850 and 1922 made decisions to train to emigrate to stay at home to marry to stay single to stay at school based on the knowledge and resources they had at the time This the first comprehensive social history of Ireland for the years 1850 1922 to appear since 1981 tries to understand that knowledge and to discuss those resources for men and women at all social levels on the island as a whole Original research particularly on extreme poverty and public health is supplemented by neglected published sources local history journals popular autobiography newspapers Folklore and Irish language sources are used extensively All recent scholarly books in Irish social history are of course referred to throughout the book but it is a lively read reproducing the voices of the people and the stories of individuals whenever it can questioning much of the accepted wisdom of Irish historiography over the past five decades Statistics are used from time to time for illustrative purposes but tables and graphs are consigned to the appendix at the back There are some illustrations An idea summary for the student loaded with prompts for future research this book is written in a non cliched jargon free style aimed at the general reader *Rebellions* Tom Dunne, 2004 A blend of history historiography and memoir *Rebellions* explores the shadowlands of the historical and the personal Dunne brings his upbringing in a republican Catholic family and his years as a Christian Brother to bear on the commemorations of the bicentenary of the 1798 rebellion The Journal of the Royal Historical and Archaeological Association of Ireland, 1873 **Journal of the Illinois State Historical Society**, 1913 **Irish Economic and Social History**, 1996 **The Journal of the Royal Historical and Archaeological Association of Ireland** Royal Historical and Archaeological Association of Ireland, 1874 Index of archaeological papers published in 1891 under the direction of the Congress of Archaeological Societies in union with the Society of Antiquaries **Bullán**, 1997 **Ireland's Sea Fisheries, 1400-1600** Patrick W. Hayes, 2023 This book examines the environmental political and economic history of Ireland's marine fisheries from 1400 to 1600 It combines a wide range of historical sources with innovative digital research methods to provide a comprehensive and systematic overview Government letters and court documents highlight the diverse range of fishing fleets from across Europe that visited Irish waters in the early sixteenth century bringing wealth and cultural influence to the native Irish who developed complex systems to protect and tax the

visitors Furthermore trade records illustrate that fish was Ireland s premier export in the late fifteenth and early sixteenth centuries However a range of factors led to the industry s collapse by the end of the sixteenth century the Tudor conquest which disrupted fishing operations and fundamentally altered who controlled fishing resources the destabilization of Irish waters resulting from the terrestrial conflict which allowed pirates to thrive an influx of cheap cod from the newly exploited fisheries in Newfoundland which changed consumption patterns in Ireland and across Europe and shifting climatic conditions and decades of over exploitation which meant fewer fish and poorer catches Overall the book reveals that fisheries form a vital part of the broader environmental political and economic history of Ireland Saothar ,1999 **The Journal of the Royal Society of Antiquaries of Ireland** ,1894 The Journal of the Royal Society of Antiquaries of Ireland Royal Society of Antiquaries of Ireland,1902 **A History of Settlement in Ireland** Terry Barry,2012-11-12 A History of Settlement in Ireland provides a stimulating and thought provoking overview of the settlement history of Ireland from prehistory to the present day Particular attention is paid to the issues of settlement change and distribution within the contexts of environment demography culture The collection goes further by setting the agenda for future research in this rapidly expanding area of academic interest This volume will be essential reading for all those with an interest in the archaeology history and social geography of Ireland *Journal of the Cork Historical and Archaeological Society* ,1892 Includes lists of members **Subject Index of Modern Books Acquired** British Library,1911 Missouri Historical Society Collections: no. 1 ,1900 Catalogue of the Library of the State Historical Society of Wisconsin: First [to fifth] supplements.
