**Cooperative Forms of Transnational Corporation Activity** Peter J. Buckley, John H. Dunning, 1994 **CSR Strategies in International Business. Concepts and theories for a competitive edge** Jonas Feller, 2015-12-07 For decades multinational corporations benefited from developing countries mainly as a source of cheap labour and weak regulations Even when corporate social responsibility CSR was embraced it has been tailored to customers in the developed world With the rise of the middle class in emerging economies and social media driven scrutiny of corporate conduct around

the globe CSR increasingly requires an international outlook Adopting strategic CSR in international business provides multinational corporations with a competitive edge An emerging field of research around international CSR points to global local and transnational strategies as viable options Considering impacting variables such as cultural distance industry features and brand visibility recommendations are derived for managers that advance the concept of shared value for business and society In addition a set of future research questions is outlined to further the academic discussion around this important aspect of business in the 21th century

**Location of International Business Activities** Academy of International Business .,2014-12-02 In recent years an extensive range of new research has been revisiting the topic of the location of international business activities from a variety of different perspectives and background interests This work has been inspired in part by two apparently quite different but actually related contemporary trends on the one hand an emergence or revitalization of clusters of activities co located in or around selected global city regions or fast growing metropolitan areas and on the other hand an increased global dispersion of activities conducted within the value chains managed or coordinated by many large multinational enterprises and their business partners The former trend has given rise to discussions of how the elite of the cultural cognitive economy of the 21st century in Allen Scott s terminology or the creative class Richard Florida s term are now being drawn or brought back to major urban centers while the latter trend is associated with debates over outsourcing and the economic and social consequences of shifts in the ownership and location of distinct nodes of value chains once production systems become more fragmented and the component parts of such systems become more geographically dispersed An increased interest in the subject of international business location has been shown by scholars in Strategic Management in Economic Geography and in Regional Science as well as in our own interdisciplinary field of International Business Studies However as is often the case in academic research communities these bodies of scholarship have tended to develop at something of a distance from one another each conversing internally more than they have with one another Location of International Business Activities aims to promote a greater conversation between those interested in the topic of Location from various different backgrounds or starting points The articles are taken from a special issue on the theme of the Multinational in Geographic Space which was published by The Journal of International Business Studies in 2013

**Dhaka University Journal of Business Studies** ,2005-12-02 International Business John D. Daniels, Lee H. Radebaugh, 1998 International Business provides real up to date coverage of international business topics issues It discusses the differences faced in international environments overall company strategies functional alternatives for operating abroad
