So Franki moves to New Orleans to work at her friend Veronica's detective agency Private Chicks Inc. But her hopes for a more stable life are dashed when Private Chicks is hired by the prime suspect in a murder case to find out what really happened to a beautiful young boutique manager who was found strangled with a cheap yellow scarf. WHAT READERS ARE SAYING: Quick, clever, oddball characters, uproariously funny situations. Andrighetti's Franki Amato series gets crisper, smarter, and wittier with each installment. Her storytelling skills are superior; her characters are so vivaciously sketched they jump off the page. This is the funniest series ever. Laugh out loud humor mixed with danger and intrigue with a splash of loving but dysfunctional family thrown in for a great read and a good time. A fun series not to be missed. Love Franki Amato and her craziness. Great series. I laughed over and over. I LOVE this series. Ms. Andrighetti has mastered the difficult task of combining priceless comedy with chilling intrigue. This is a fun series, and I love Frankie's grandma. Voodoo, witches, the family, and New Orleans add twists, turns, and laugh out loud funny. Andrighetti is clearly a talented author. She has me wondering if she's also a comedian. I love Franki, who seems to not be able to keep out of trouble. Her stripper landlady Glenda is a hoot. The books in this series are hilarious and a joy to read. The main character is fantastic, and the secondary characters are perfect in bringing out Frankie's talents. You never know what to expect, but you'll love the crooked pathways that get you there. Any writer who can make you laugh like this deserves to be read.
