

Congratulations!

You are reading on your new Kindle DX.

If you haven't done so already, please follow the Getting Started instructions that came with your Kindle and plug your Kindle into a power source to charge the battery. The charge indicator light on the bottom edge of your Kindle turns yellow and a lightning bolt appears on the battery icon at the top of the display. Charging the battery fully should take less than three hours and you can continue reading while it charges.

Tip: The charge indicator light will turn green when the battery is fully charged.

If you prefer to read the Kindle DX User's Guide side-by-side with the device, you can download and print a PDF copy at:
