Billionaire Baby Daddy Jenny Rose, 2016-10-19 When I went out for my twenty first birthday all I wanted was a few drinks and a night out with my friends but what I ended up with was so much more than what I'd expected A night of frivolity with the girls soon ended up being a night to remember when we were invited to the VIP area of the hottest club in town to see my favorite DJ and when I met him I knew my life would never be the same A one night stand and a year later I found myself raising a beautiful baby boy by myself and though he was the greatest blessing I'd ever received money was tight and times were getting pretty hard but I was managing As luck would have it I ran into Trent Mandrake one day as I was walking and after a brief conversation I informed him of his child His reaction was the absolute worst and after the uncomfortable encounter he handed me a business card and informed me that he wanted me to have a paternity test done and then we could handle things from there After the test he made it clear that he didn't want anything to do with us but would help out financially and that was better than nothing at this point but I wanted my son to have his father I wondered if there were any way that Trent and I could ever make some sort of relationship possible and the more that I saw him the more I wanted to be near him Could things between the rich and arrogant philanthropist ever work out or would I always just be another bill that he had to pay Could we ever find that spark that we had on the night we met or was I doomed to want him from afar and be doomed to forever just be nothing more than his son's mother *Billionaire's Baby Part #3* Roxie Odell, 2017-10-29 Of all the reckless things that single dad and billionaire Brodie Rogan's done in his life giving the woman he loves a job with him is at the top of the list Julie Corbin meant what she said when she said goodbye so Brodie feels like he has no other choice than to plant a false ad for a too good to be true job and to wait for sweet Julie to take

the bait It all goes perfectly until it blows up in his face When the adorably hot nurse Julie Corbin is tricked into traveling across country for a job she learns that the man she s in love with and trying to forget is her new boss She does the best thing for her she threatens to walk Brodie calls her bluff and promises to make her life hell if she does His gamble pays off when he gets Julie to stay long enough to fall in love all over again and again with blistering passionate repetition With baby Thomas as their tiny witness Julie and Brodie elope and honeymoon in one posh venue after the other Life becomes just about perfect again But when a lie Brodie s been sitting appears in the lobby of their Sonoma B B their newly cemented relationship is severely tested Can Brodie fix this one Or maybe the billionaire s money can t make this one right Search Terms billionaire romance true love happily ever after famos actor hot and steamy hot romance hot doctores bad boy Alpha Bad Boy Alpha male romance billionaire romance new adult contemporary romance love and life cancer fiction big beautiful woman fake boss fake girlfriend fake sexy sexy hero sweet romance hot steamy love Managing the Bosses the Boss billionaire boss billionaire obsession hot dad single dad billionaire romance melody anne billionaire bachelors series [Billionaire Baby Surprise](#) Kamasutra Lifestyle,2016-01-26 Interracial Romance BWWM Danielle Thompson was tired of her everyday life Her work as a building designer was mundane and largely thankless and she was tired of the loneliness she felt every time she went to bed at night She had a boyfriend before her life went downhill one that she thought she might spend the rest of her life with but he burned her and left her to pick up the pieces Scorned by love she had all but given up on ever finding someone that she could love and trust again Frustrated with the way that her friend was stuck in such a rut Danielle s best friend Monica convinces her to go to a new club that opened up in town Club 101 to get out and have some fun for a change Though she didn t necessarily want to go anywhere at first and would rather curl up with a bottle of wine and sleep off her migraine she agreed Once they doll themselves up and take their cab to the club they find the place to be a rather swinging place where all of the most hip and fashionable people go to And it s there that she met one mister Travon Batista a local billionaire that runs his own medical company that sells prescription medication She managed to catch his eye and he offered to buy her a drink She accepts deciding that it was high time that she lived a little and let loose So they relax around one another and talk over drinks The two hit it off and it isn t long before her heart whispers to her that it might not be so bad if she were to feel something for someone again They spend one wild night together and promise to see each other again when he comes back from his business trip In the two weeks that she is waiting for him to come back she begins to experience a sudden illness and strangely had cravings for certain food and drink Baffled at her sudden turn of health she went to the doctor fearing that she might be pregnant but baffled as to how that could be when she was on birth control After a few tests the doctor confirmed her fears she was pregnant and Travon was the father of the child She hadn t slept with any other men in months so there was no doubt as to who the father of the child was thankfully but she was hardly comforted by the knowledge of that Because with this new information about her current condition came a new fear of how to tell Travon that
