King's Cross Kid Victor Gregg,2013-05-09 Victor Gregg born in 1919 has had a rich and fascinating life King s Cross Kid follows his London childhood from the age of five when life was so hard that the Salvation Army arranged for young Vic to be taken to the Shaftesbury Home for Destitute Children Home again a year later the scallywag years of late childhood began Then after the years of street gangs and run ins with the law Vic leaves school at fourteen and his real adventures start and with them a working class apprenticeship in survival Ending with his enlistment in the army on the day of his eighteenth birthday this prequel to the bestselling Rifleman will appeal to the many readers who were charmed by Victor Gregg s

engaging honest and warm voice **Second Battle of El Alamein** Victor Gregg,2017-01-24 An eye witness account of the second battle of El Alamein by World War II veteran rifleman Victor Gregg The Second Battle of El Alamein Egypt 23 October 11 November 1942 was a decisive battle in the Second World War With the Allies victorious it marked the watershed of the Western Desert Campaign prompting Winston Churchill to proclaim Before Alamein we never had a victory After Alamein we never had a defeat The British victory turned the tide in the North African Campaign and ended the Axis threat to Egypt the Suez Canal and the Middle Eastern and Persian oil fields via North Africa Victor Gregg after an absence of eight months of service is offered a promotion which he promptly turns down saying I just wish to fight out this war in the company of the lads who I call my mates and they are all in the carriers In this first hand account Gregg bravely unpicks not only the action of war but the reaction of the normal men in extraordinary circumstances trying to cling to sanity amongst the debris of corpses many of which were friends and comrades **Soldier, Spy** Victor Gregg,2015-11-05 Beginning in 1946 when Victor

Gregg was demobbed after the end of the Second World War and deposited in London Paddington Soldier Spy is the story of a soldier returning to civilian life and all the challenges it entails Facing a new and ever changing London a shifting political landscape and plenty of opportunities to make a few bob repairing the bomb damage and doing construction work on the Festival of Britain site Vic moves from one job and pastime to the next becoming by turns cyclist builder decorator trade union official Communist Party member and long distance lorry driver Finally he is offered a nice clean job as chauffeur to the chairman of the Moscow Narodny Bank in which he will be able to return home to his wife and children every night However there is more to his new employers than meets the eye and it is not long before his wartime work with the Long Range Desert group catches up with him in the form of an approach from the security services Lured by the excitement his postwar life has lacked Vic adds spy to his roster of employments risking everything in the process *King's Cross Kid*

Victor Gregg,Rick Stroud,2013 Victor Gregg has had a rich and fascinating life King s Cross Kid follows his London childhood from the age of five when life was so hard that the Salvation Army arranged for young Vic to be taken to the Shaftesbury Home for Destitute Children Battle of Arnhem Victor Gregg,2017-01-24 After sweeping through France and Belgium in the summer of 1944 the Allies were poised to enter the Netherlands to secure key bridges and towns along the Allied axis of

advance Victor Gregg and his fellow riflemen are asked to volunteer for the Parachute Regiment in an operation called Market Garden. The staunchly held maxim once a rifleman always a rifleman was overruled by a promise of extra leave. The British airborne forces landed some distance from their objective in Arnhem and were quickly hampered by unexpected resistance. Only a small force was able to reach the Arnhem road bridge and reinforcements were unable to advance north as quickly as anticipated, therefore failing to relieve the Parachute Regiment. The troops had been up against unimaginable odds and after nine days of fighting Gregg is captured and sent to a prisoner of war camp in Dresden where the infamous and tragic bombings were about to begin.

Operation Compass Victor Gregg, 2017-01-24. Operation Compass was the first large Allied military operation of the Western Desert Campaign 1940-1943 during the Second World War. The Western Desert Force composed of around 30,000 men from British and other Commonwealth forces advanced from Mersa Matruh on a five-day raid against the Italian positions of the 10th Army. Operation Compass continued long beyond its original limitations in order to exploit British success. Victor Gregg takes us behind the scenes of this unforgiving terrain to the sangars rather than the trenches in an astonishing first-hand account of warfare. Through tender friendships and tea runs, devastating news from home, and visible enemies on the horizon, Gregg goes beyond the graphic descriptions of injuries and front-line action to show the psychological impact of daily life both on and off the battlefield.

Rifleman - New edition Victor Gregg, 2019-10-03. Victor Gregg is the most remarkable spokesman for the war generation. Dan Snow. A classic Mail on Sunday. Astonishing. James Holland. Born in 1919, Victor Gregg enlisted in the Rifle Brigade aged just eighteen and began a life of adventure. A soldier throughout the Second World War, he saw action across North Africa, was a driver for the Long Range Desert Group, and fought at the battle of Alamein. Taken into captivity at the Battle of Arnhem in 1944, he was sentenced to death for sabotaging a Dresden factory; he escaped only when the Allies' infamous air raid blew apart his prison and very soon encountered the advancing Red Army. Revised and expanded with exclusive new material in time for Gregg's 100th birthday, *Rifleman* is the extraordinary story of an independent-minded and quick-witted survivor.

You Can Help Your Country: English children's work during the Second World War Berry Mayall, Virginia Morrow, 2020-11-23. First published in 2011, *You Can Help Your Country* reveals the remarkable hidden history of children as social agents who actively participated in a national effort during a period of crisis. In praise of the book, Hugh Cunningham, celebrated author of *The Invention of Childhood*, wrote: "Think of children and the Second World War and evacuation comes immediately to mind. Berry Mayall and Virginia Morrow have a different story to tell, one in which all the children of the nation were encouraged to contribute to the war effort. Many responded enthusiastically. Evidence from school magazines and oral testimony shows children digging for victory, working on farms, knitting comforts for the troops, collecting waste for recycling, running households. What lessons the authors ask does this wartime participation by children have for our own time? The answers are challenging."

Children's Mobilities Lesley Murray, Susana Cortés-Morales, 2019-05-04. This

book offers a critical and comprehensive analysis of children's mobilities by focusing on its interdependent imagined and relational aspects. In doing so it challenges existing literature which in mobilities studies tends to overlook the mobilities of marginalised social groups. In social science more generally tends to immobilize children's studies and in children's mobility studies has mainly focused on the independent and corporeal travel of children. The book situates children's mobilities in wider contexts offering an interdisciplinary and critical perspective throughout and drawing on scholarship at the confluence of childhood and mobilities and a range of research to offer new insights that inform the field of mobilities and studies of childhood. In this way the book aims at widening the perspective on children's mobility towards the inclusion of diverse age groups and of the manifold forms of mobilities that are part of children's lives from an interdependent and relational point of view.
