## **Kokko Yrjö Pessi ja Illusia:**

A History of Finland's Literature George C. Schoolfield, 1998-01-01 The literature of Finland is bilingual with lively and extensive traditions in both Finnish and Swedish This history covers both literary traditions in detail The volume's first section on Finnish language literature consists of a series of connected chapters by leading authorities within the field It opens with a consideration of the folk literature in Finnish that flourished during the Middle Ages and then examines the more recent history of Finnish language literature with special emphasis placed on writings from the nineteenth and twentieth centuries The second part of the book provides an examination of Finland's Swedish language literature from the late fifteenth century through the early nineteenth century Subsequent chapters trace developments in Finland's Swedish language literature during the nineteenth and twentieth centuries A survey of children's literature from both the Finnish and Swedish language traditions concludes this exceptionally thorough volume Plants in Children's and Young Adult Literature Melanie Duckworth, Lykke Guanio-Uluru, 2021-11-29 From the forests of the tales of the Brothers Grimm to Enid Blyton's The Faraway Tree from the flowers of Cicely May Barker's fairies to the treehouse in Andy Griffith and Terry Denton's popular 13 Storey Treehouse series trees and other plants have been enduring features of stories for children and young adults Plants act as gateways to other worlds as liminal spaces as markers of permanence and change and as metonyms of childhood and adolescence This anthology is the first compilation devoted entirely to analysis of the representation of plants in children's and young adult literatures reflecting the recent surge of interest in cultural plant studies within the environmental humanities Mapping out and presenting an internationally inclusive view of plant representation in texts for children and young adults the volume includes contributions examining European American Australian and Asian literatures and contributes to the research fields of ecocriticism critical plant studies and the study of children's and young adult literatures **The National Union Catalog, Pre-1956 Imprints** Library of Congress, American Library Association. from folktales to other domains in popular culture Trolls Lindow argues would not continue to appeal to our imaginations today if they had not made the jump to illustrations in Nordic books and Scandinavian literature and drama From the Moomins to Brothers Grimm and Three Billy Goats Gruff to cartoons fantasy novels and social media Lindow considers the panoply of trolls that surround us and their sometimes troubling connotations in the contemporary world Taking readers into Norwegian music and film and even Yahoo Finance chat rooms Trolls is a fun and fascinating book about these strange creatures
