

The background of the cover is a dark, textured field. It is populated with various microscopic organisms: numerous orange, rod-shaped bacteria are scattered throughout; a complex, glowing blue network of fibers or filaments weaves across the center; and a large, translucent blue, irregularly shaped mass is prominent in the middle. In the lower-left corner, there is a green, leafy or cellular structure, and a small portion of a red, rounded object is visible at the very bottom left.
