*America's Favorite Recipes the Melting Pot Cuisine* Uma Aggarwal, 2016-11-10 America is called a melting pot of all cultures As the immigration of different cultures continue to flood this land of opportunity a revolution is taking place in the fusion of their cultures and cuisines This transformation has been very prominent in the last 50 years and it is clearly visible in the emerging American cuisine Practically this cuisine has fused to become a spectacular global cuisine In my book I am not only giving the recipes that we love so dearly but also tried to emphasize the history and origin of these recipes and describe the use of healthful ingredients and spices to prolong your life We have to watch what we eat I am trying to bring this point to the attention of the reader that according to ancient Indian treatises and modern scientific research it is established that the use of spices is not only for taste but it is for their hidden meaning They have anti carcinogenic properties and their use is very important to maintain a good healthy lifestyle Americans are heavily ridden with obesity heart diseases diabetes breast cancer and many other diseases Being an American East Indian pioneer with my east Indian wisdom of Ayurvedas my idea is to make these exotic recipes as healthy as possible by using these spices I have also tried to

capture and write the history and origin of these recipes My basic point of view is that to make the food delicious use fresh ingredients herbs and spices and do not try to over load them with various cheeses creams sugars and lards to make them delicious You are what you eat Most of these foreign recipes have historical dimensions and origin They have now shaped themselves gradually to suit the American pallet and have become an integral part of American cuisine We can make them equally delicious by wisely using healthful ingredients In order to make these books interesting and enjoyable they are written with easy step by step instructions I am hopeful that these books Americas Favorite Recipes Part I Part II and Part III will soon become your favorite coffee table books as well as your recipe books **Salty Sweets** Christie

Matheson,2010-05-07 Do opposites really attract In the case of salty and sweet you bet they do Like peanut butter and jelly itself a classic salty sweet duo these tastes were made for each other Salt helps balance and heighten sweets transforming ordinary cookies cakes and candies into truly special confections It brings out the complexities of chocolate highlights the subtleties of fruit makes nuts really pop and turns caramel and butterscotch into pure ambrosia The salty sweet combination has swept the nation with chefs candy makers and retailers all offering tantalizing sweets complemented with salt Salty Sweets is the first cookbook to bring the phenomenon home Christie Matheson offers 75 delectable ways to enjoy this tasty twosome proving along the way that salty sweets are not the sole province of fancy chefs and trendy chocolatiers Seven recipe chapters cover every sort of treat from little bites to cookies bars cakes puddings fruit desserts and even ice creams
