Cruelty Maggie Schein, 2023-12-02 Cruelty is such a ubiquitous and at the same time disturbing phenomenon that we take for granted that we understand what it is and how it impacts the ways in which we think about our humanity as a moral condition how we understand our moral significance Cruelty A Book About Us offers an accessible interrogation of cruelty and humanity and most critically it provides a groundwork for us to raise questions collectively it is an invitation for us all to join in the dialogue Through academic studies literary works and personal stories and observations this book provokes deeper insights into why cruel acts trouble our usual ways of articulating and addressing wrongness Mining interdisciplinary sources it excavates what we may not know we don't know and guides us in conversations about this profoundly evocative and often uneasy subject
