Jesus The Healer Kenyon:

Jesus the Healer E. W. Kenyon, 2025-07-15 For years this book has challenged and inspired readers to step out in faith and receive the healing that Christ purchased for us Many people have been healed while reading these pages Legendary Bible teacher Dr E W Kenyon has a rare gift for presenting the deep and profound truths of God s Word in a simple and easily understood way His teachings on expressing positive confessions of faith formed much of the foundation for Word of Faith Pentecostalism In *Jesus the Healer* Dr Kenyon fully explores the powerful gift of healing that Jesus demonstrated throughout His ministry Sickness and disease are not God s will for believers So Kenyon unpacks God s methods of healing and how to live the abundant life that Jesus promised God s healing promises are no good unless you act on them Believing is acting on God s Word Faith is the result of acting on God s Word Healing miracles are available today for those who believe and step out in faith **Jesus the Healer** Essek William Kenyon, 1940 **Summary of Jesus is Your Healer** Unknown, 2025-10-30

Jesus the Healer by Dr E W Kenyon is a foundational work that empowers believers to embrace the divine gift of healing Kenyon presents the profound truths of Scripture in a clear and accessible way showing that sickness and disease are never part of God s will for His children Throughout the book he emphasizes that Jesus ministry demonstrated the reality of healing as a present day provision not merely a historical occurrence Central to Kenyon s teaching is the principle that God s healing promises require action Faith is not passive it is activated by speaking and standing on God s Word By understanding and practicing positive confessions of faith readers can access the same supernatural power that healed multitudes in biblical times The book illustrates that healing is intertwined with believing and acting encouraging believers to step out boldly in expectation of divine restoration Kenyon also explores practical ways to live in the abundant healthy life Jesus promised showing that miraculous healing is not just for select individuals but available to all who cultivate faith and obedience *Jesus the Healer* remains a transformative guide for those seeking physical emotional and spiritual wholeness offering both instruction and inspiration to claim the healing that Christ purchased through His sacrifice **Identification** E. W.

Kenyon, 2025-07-15 What does Identification mean It means our complete union with Jesus in His substitutionary sacrifice The teaching of Identification is the legal side of redemption It unveils to us what God did for us in Christ from the time He went to the cross until He sat down at the right hand of the Father Christ became one with us in sin so that we might become one with Him in righteousness He became as we were so that we might be as He is now In identification we have one of the richest phases of redemption There is a twofold oneness first His oneness with our sin and humanity on the cross second our oneness with Him in His glory on the throne These teachings unveil who we are in Christ and how the Father sees us in the Son The vital aspect of redemption is what the Holy Spirit through the Word is doing in us now When these truths really gain the ascendancy in our lives they will make us spiritual supermen It will be the end of our spiritual weakness and failure We will no longer struggle for faith for all things are already ours We will no longer pray for power for Christ is in us We will no

longer feel the awful bondage of sin consciousness for we are the righteousness of God in Christ **Words That Move Mountains** E. W. Kenyon, Don Gossett, 2009-03-30 He who believes in Me the works that I do he will do also and greater works than these he will do because I go to My Father John 14 12 Through the words and ministry of E W Kenyon and Don Gossett you will discover what happened in their lives and what can take place in your own life Find out how you can Walk in divine health and wholeness Overcome the power of evil Experience God s power in your life Perform the miracles that Christ did See the incurable healed Lead the lost to Christ Minister in God s anointing Here you will discover how you can personally receive God s healing touch and how God can use you to bring healing to others You will learn to use the Words That Move Mountains **The Two Kinds of Faith** E. W. Kenyon, 2025-07-15 Gladly Proclaim I Have Faith Do you have faith in what your senses tell you What your eyes see what your ears hear and what you can touch That s the kind of faith Thomas had when he told the disciples who had seen Jesus Except I shall see in his hands the print of the nails and put my finger into the print of the nails and thrust my hand into his side I will not believe John 20 25 This is sense knowledge faith True faith is based on the Word of God We don t have to ask for it it s there for the taking It comes from hearing the Word understanding it acting on it and letting it become a part of you Learn how to fight against the hindrances to revelation faith and the blessings that await you when you learn how to discern The Two Kinds of Faith The Essential Works of E. W. Kenyon E. W. Kenyon, 2025-07-15 The Essential Works of E W Kenyon includes six classic works from the legendary Bible teacher

Personal Evangelism E. W. Kenyon, 2025-07-15 SOUL WINNING IS OUR BUSINESS Jesus made it clear that we are to bring others to His Father He said Follow me and I will make you fishers of men But many Christians don t know how to win souls for their Savior They are too timid to speak out don t know what to say or don t want to offend anyone Legendary Bible teacher E W Kenyon offers a solution in Personal Evangelism 22 Lessons to Effectively Share the Gospel He takes readers through all possible scenarios of reaching the lost from those who have false hopes to the indifferent from the skeptical to those who have broken fellowship with the church Until soul winning becomes the business of our life we will not lead many from darkness to light Kenyon says Soul winning is the art of arts We are selling the greatest thing in the world The joy that it gives to the one who finds Christ the blessings that go into the home can never be estimated The man you lead to Christ may become a key man in some community turning a whole section of men to Christ Our time is not our own but belongs to the Lord When we evangelize to snatch souls from the hands of the enemy we give them strength joy and success and obtain more stars in our own heavenly crown A Different Gospel Dan R McConnell, 2011-12-22 The name it claim it theology of the Word Faith Movement is presented as biblical but is it In this compelling book McConnell documents the historical link between faith theology and New Thought metaphysics He then analyzes faith theology s doctrines of healing and prosperity as well as its understanding of the atonement of Christ to show how they deviate from biblical teaching This updated edition features a foreword by Hank Hanegraaff and an afterword by McConnell Softcover from Hendrickson The Two Kinds of

Life E. W. Kenyon,2025-07-15 The Two Kinds of Life Discover the Lost Truth that Jesus Came to Give Us explains how to receive eternal life through Christ **The Wonderful Name of Jesus** E. W. Kenyon,2025-07-15 In this inspiring book E W Kenyon clearly explains our spiritual authority in the name of Jesus Discover what the Word has to say about you and your rights and privileges as a redeemed believer *Thinking in the Spirit* Douglas Jacobsen,2003-11-20 This book is about the boisterous beginnings of the American Pentecostal movement and the ideas that defined that movement during those formative years It follows a group of men who rethought the Christian faith in light of their new experience of God Thinking in the Spirit aims to provide scholars and general readers who know little or nothing about Pentecostalism with an introduction to the ideas of the movement s most articulate early spokespersons and to provide Pentecostals with a non judgmental historical source to help them in their theological reflections Douglas Jacobsen focuses on the individuals who formed the original brain trust of this now gigantic religious movement In a 25 year burst of creative energy at the beginning of the 20th century these leaders articulated almost all the basic theological ideas that continue to define the Pentecostal message in the United States and around the world **In His Presence** E. W. Kenyon,2025-07-15 Here at last is a real solution to the prayer problem In His Presence by E W Kenyon is not about who others were and what they did in prayer but about who we are and what we can do in prayer It lifts the curtain to the Holy of Holies and reveals our ability to enter in and stand before the presence of God In this book you will discover that God s ability is available to every one of His children You will be challenged to climb the heights and sound the depths of tremendous spiritual realities including the authority of the name of Jesus and how to use it In His Presence has been a challenge and blessing to countless multitudes all over the world It removes the mist surrounding the prayer life leading us out of spiritual mysticism into the true light of life This is your invitation to open the door enter and stand in the Father s presence **Cured** Dick B.,2006 Early AAs were cured of Alcoholism For a decade the pioneers said so Alcoholism can still be cured and this book explores in detail the myth that revisionists therapists and treatment folk have perpetuated while ignoring that the original cures were achieved by reliance on the Creator The whole meaning history and detours of the cure situation are thoroughly explored **What We Are in Christ** E. W. Kenyon,2025-07-15 SATAN HAS NO POWER WHEN WE ARE IN CHRIST The expression in Christ is one of the key phrases in the Epistles However many of us find that who we were before we found Christ so dominates our minds that we forget we are now in Him We belittle our redemption and magnify our failures Our weakness is ever with us We have the cross religion rather than the resurrected life of the Son of God With love patience and grace legendary Bible teacher E W Kenyon explains What We Are in Christ and what this means from heaven s point of view God is our ally no matter what our circumstances We are in Him now seated in the highest place in the universe and all it requires is simple faith on our part to bring the power of God to bear upon our needs whether for spirit soul body finances or deliverance Kenyon says No matter where you are in your faith journey you will find reassurance and joy when you realize What We Are in Christ What

Happened from the Cross to the Throne E. W. Kenyon, 2020-05-12 Believe it or not as they stood at the foot of the cross the original disciples who walked in close companionship with Jesus knew nothing of the real mission of the man they followed They did not realize who Christ was why He came why He had to suffer and what was to be gained by His suffering They did not know what happened on the cross or during the three days and nights in the tomb before His resurrection They did not know why the incarnation was important or that it even was an incarnation All they could see was the undeserved suffering of their friend and rabbi Now legendary Bible teacher E W Kenyon reveals hidden truths there were not fully understood until the Pauline Revelation of the Epistles Until God revealed these truths to the apostle Paul no one understood why Christ came why His death on the cross was necessary or what exactly occurred in the tomb They did not comprehend the good news that because of these events we now become the righteousness of God people who can stand in God's presence without a sense of guilt shame or inferiority This is the miracle of redemption and the miracle of New Creation It is the confidence to overcome the devil to heal disease and to call Lazarus out of the tomb To this day far too many believers share the disciple's view of Jesus a biographical account of the things He did the words He spoke and the suffering He endured Because of this limited revelation their Christian faith will experience the same fears and doubts the disciples were left with the day Jesus was crucified Like the apostles at Pentecost we must move beyond sense knowledge and into the Spirit realm We must move beyond religion and into a living and active truth if we are to truly walk in a powerful and overcoming faith

New Creation Realities E. W. Kenyon, 2025-07-15 Christianity has revealed the secret that psychologists have long sought the inward soul the re-created spirit the focus of God's great redemptive work on earth The four Gospels give us a wonderful picture of the lonely man of Galilee the humble Messiah who ends His earthly walk on Calvary But Paul's Epistles give us the risen triumphant One the

conqueror of death sin and Satan He provides the revelation of what happened on the cross and in the tomb and how that affects who and what we are in Christ today Legendary Bible teacher E W Kenyon delves deeply into Paul s teaching to give us a living picture of the entire substitutionary work of Christ which made possible the new creation a new race of men and women who can stand in God s presence without a sense of guilt condemnation or inferiority
