*Latino History Day by Day* Caryn E.

Neumann,Tammy S. Allen,2013-05-09 This title takes a calendrical approach to illuminating the history of Latinos and life in the United States and adds more value than a simple this day in history through primary source excerpts and resources for further research Latino a history has been relatively slow in gaining recognition despite the population s rich and varied history Engaging and informative Latino History Day by Day A Reference Guide to Events will help address that oversight Much more than just a this day in history list the guide describes important events in Latino a history augmenting many entries with a brief excerpt from a primary document All entries include two annotated books and websites as key resources for follow up The day to day reference is organized by the 365 days of the year with each day drawing from events that span several hundred years of Latino a history from Mexican Americans to Puerto Ricans to Cuban Americans With this guide in hand teachers will be able to more easily incorporate Latino a history into their classes Students will find the book an easy to use guide to the Latino a past and an ideal starting place for research **Latinos in American Society** Ruth Enid

Zambrana,2011-06-15 It is well known that Latinos in the United States bear a disproportionate burden of low educational attainment high residential segregation and low visibility in the national political landscape In Latinos in American Society Ruth Enid Zambrana brings together the latest research on Latinos in the United States to demonstrate how national origin age gender socioeconomic status and education affect the well being of families and individuals By mapping out how these factors result in economic social and political disadvantage Zambrana challenges the widespread negative perceptions of Latinos in America and the single story of Latinos in the United States as a monolithic group Synthesizing an increasingly substantial body of social science research much of it emerging from the interdisciplinary fields of Chicano studies U S Latino studies critical race studies and family studies the author adopts an intersectional social inequality lens as a means for understanding the broader sociopolitical dynamics of the Latino family considering ethnic subgroup diversity community context institutional practices and their intersections with family processes and well being Zambrana a leading expert on Latino populations in America demonstrates the value of this approach for capturing the contemporary complexity of and transitions within diverse U S Latino families and communities This book offers the most up to date portrait we have of Latinos in America today **The Columbia History of Latinos in the United States Since 1960** David Gregory

Gutiérrez,2004 Offers a comprehensive historical overview of the Latinization of the United States that has occurred over the past four decades Brings together the views of some of the foremost scholarly interpreters of the recent history of Latinos in the United States Global Communications Paula Chakravartty,Yuezhi Zhao,2007-08-29 This provocative book takes a new

approach toward understanding the uneven flows of global communications Rather than guiding its discussion by geography types of media or traditional separations of power and resistance Global Communications examines political economic power and communication in relation to historically specific encounters with modernity It underscores lived experiences in its approach to globalization showing that the state and the market can both be sites of empowerment just as civil society might

also be a site of repression Taking a political economic analysis of communication and culture this dynamic group of international authors looks beyond developments in the North American information and culture industries to map new forms of citizenship and exclusion The chapters spotlight China Ghana India Japan Palestine Russia Singapore and Venezuela and foreground the transnational formations of the European Union the pan Arab and Spanish speaking markets and civil society actors in sub Saharan African the Middle East and North America Theoretically driven and empirically grounded Global Communications defines communication broadly to include production circulation and consumption and addresses urgent questions about the inequalities of globalization and the possibilities of hybrid cultural forms and practices

Latin American Women Filmmakers Deborah Martin, Deborah Shaw, 2017-03-23 Latin American women filmmakers have achieved unprecedented international prominence in recent years Notably political in their approach figures such as Lucrecia Martel Claudia Llosa and Bertha Navarro have created innovative and often challenging films enjoying global acclaim from critics and festival audiences alike They undeniably mark a moment for Latin American cinema Bringing together distinguished scholars in the field and prefaced by B Ruby Rich this is a much needed account and analysis of the rise of female led film in Latin America Chapters detail the collaboration that characterises Latin American women s filmmaking in many ways distinct from the largely Third Cinema auteurism from the region as well as the transnational production contexts unique aesthetics and socio political landscape of the key industry figures Through close attention to the particular features of national film cultures from women s documentary filmmaking in Chile to comedic critique in Brazil and from US Latina screen culture to the burgeoning popularity of Peruvian film this timely study demonstrates the remarkable possibilities for film in the region This book will allow scholars and students of Latin American cinema and culture as well as industry professionals a deeper understanding of the emergence and impact of the filmmakers and their work which has particular relevance for contemporary debates on feminism
