Jane Austen's Families Anthem Nineteenth Century Series:

Jane Austen's Families June Sturrock, 2014-11-01 Jane Austen's Families focuses on family dynamics in Jane Austen's six novels. After a general introduction which places its approach in the context of ethical criticism, it divides into two sections. The first, Family Dynamics, consists of three chapters: The Function of the Dysfunctional Family, Spoilt Children, and Usefulness and Exertion. The three chapters of section two, Fathers and Daughters, look at father-daughter relationships in *Mansfield Park*, *Emma*, and *Persuasion*. *Unfinished Austen: Interpreting "Catharine", "Lady Susan", "The Watsons" and "Sanditon"* Joanne Wilkes, 2023-09-05 *Unfinished Austen* examines four texts that Jane Austen left incomplete: *Catharine or the Bower* 1792, *Lady Susan* 1795, *The Watsons* 1803, and *Sanditon* 1817. None of them were published until well after her death. Since very little in manuscript form survives from the six famous novels, these four manuscript texts offer insight into the novelist in the process of creation. They also problematize the romance plot prominent in the published novels by presenting this in a nebulous or incipient state that underlines its artificiality. These texts sometimes show how the romance plot is inflected by the financial condition in which young marriageable women can find themselves. Moreover, the stories other than *Catharine* have aroused the interest of many later writers, including writers for theatre and screen who are eager to complete or to amplify them. They may do this through developing the stories to some kind of dénouement. Perhaps more intriguingly, however, these texts induce some writers to question the very enterprise of concluding an unfinished text. **Jane Austen's Families** June Sturrock, 2013-02-01 Jane Austen's Families focuses on family dynamics in Jane Austen's six novels. Diaries of Anthony Hewitson, Provincial Journalist, Volume 1 Andrew Hobbs, 2022-09-26 Anthony Hewitson 1836-1912 was a typical Victorian journalist working in one of the largest sectors of the periodical press: provincial newspapers. His diaries, written between 1862 and 1912, lift the veil of anonymity, hiding the people, processes, and networks involved in the creation of Victorian newspapers. They also tell us about Victorian fatherhood, family life, and the culture of a Victorian town. Diaries of nineteenth-century provincial journalists are extremely rare. Anthony Hewitson went from printer's apprentice to newspaper reporter and eventually editor of his own paper. Every night he jotted down the day's doings, his thoughts, and feelings. The diaries are a lively account of the reporter's daily round: covering meetings and court cases, hunting for gossip, or attending public executions and variety shows in and around Preston, Lancashire. Andrew Hobbs's introduction and footnotes provide background and analysis of these valuable documents. This full scholarly edition offers a wealth of new information.

about reporting freelancing sub editing newspaper ownership and publishing and illuminates aspects of Victorian periodicals and culture extending far beyond provincial newspapers The Diaries of Anthony Hewitson Provincial Journalist are an indispensable research tool for local and regional historians as well as social and political historians with an interest in Victorian studies and the media They are also illuminating for anyone interested in nineteenth century social and cultural history

behavior is as beloved today as it was when first published in 1813 The long road that the quick witted sharp tongued Elizabeth Bennet and the haughty Darcy travel from mutual disdain to unfulfilled longing and finally to love and marriage is beset with obstacles in the form of Elizabeth's insufferable mother irrepressible younger sister and Darcy's own secret pain In *Pride and Prejudice* Austen has captured not only the frivolous sensibilities of early nineteenth century provincial England but also the hearts and minds of anyone who has loved outside of social expectations and aspired to a happiness beyond mere propriety
