**Introducing Japanese Popular Culture** Alisa Freedman,2018-01-02 Specifically designed for use on a range of undergraduate and graduate courses Introducing Japanese Popular Culture is a comprehensive textbook offering an up to date overview of a wide variety of media forms It uses particular case studies as a way into examining the broader themes in Japanese culture and provides a thorough analysis of the historical and contemporary trends that have shaped artistic production as well as politics society and economics As a result more than being a time capsule of influential trends this book teaches enduring lessons about how popular culture reflects the societies that produce and consume it With contributions from an international team of scholars representing a range of disciplines from history and anthropology to art history and media studies the book s sections include Television Videogames Music Popular Cinema Anime Manga Popular Literature Fashion Contemporary Art Written in an accessible style by a stellar line up of international contributors this textbook will be essential reading for students of Japanese culture and society Asian media and popular culture and Asian Studies in general

*Pure Invention* Matt Alt,2021-06-22 The untold story of how Japan became a cultural superpower through the fantastic inventions that captured and transformed the world s imagination A masterful book driven by deep research new insights and powerful storytelling W David Marx author of *Ametora* How Japan Saved American Style Japan is the forge of the world s fantasies karaoke and the Walkman manga and anime Pac Man and Pok mon online imageboards and emojis But as Japan media veteran Matt Alt proves in this brilliant investigation these novelties did more than entertain They paved the way for our perplexing modern lives In the 1970s and 80s Japan seemed to exist in some near future gliding on the superior technology of Sony and Toyota Then a catastrophic 1990 stock market crash ushered in the lost

decades of deep recession and social dysfunction The end of the boom should have plunged Japan into irrelevance but that's precisely when its cultural clout soared when once again Japan got to the future a little ahead of the rest of us Hello Kitty the Nintendo Entertainment System and multimedia empires like Dragon Ball Z were more than marketing hits Artfully packaged dangerously cute and dizzyingly fun these products gave us new tools for coping with trying times They also transformed us as we consumed them connecting as well as isolating us in new ways opening vistas of imagination and pathways to revolution Through the stories of an indelible group of artists geniuses and oddballs Pure Invention reveals how Japan's pop media complex remade global culture

Japanese Popular Culture and Globalization William M. Tsutsui, 2010 Japanese Popular Culture and Globalization is the only concise overview of Japan's phenomenal impact on world pop culture available in English Surveying Japanese forms from anime animation and manga comic books to monster movies and Hello Kitty products this volume is an accessible introduction to Japan's pop creativity and its appeal worldwide Written in an accessible style and illustrated with more than 20 photographs Japanese Popular Culture and Globalization combines a historical approach to the evolution and diffusion of Japanese pop with interdisciplinary perspectives from anthropology literary studies political science and the visual arts Includes a useful glossary of terms and a bibliography of recommended readings

**The Encyclopedia of Japanese Pop Culture** Mark Schilling, 1997-05-01 In the West Japanese culture comes in the form of Power Rangers Godzilla movies and Sanrio products but of course the indigenous pop culture is much richer Rather than focus on what the rest of the world has already encountered Mark Schilling provides an encyclopedic compendium of books movies music comedians and cultural scandals that have had the greatest impact in Japan Thus for the outsider The Encyclopedia of Japanese Pop Culture is an insider's guide to post war Japan Not content to simply catalog his entries Schilling provides real depth and analysis in his articles opening up Japan's rich pop heritage to the world at large

**Drawing on Tradition** Jolyon Baraka Thomas, 2012-10-31 Manga and anime illustrated serial novels and animated films are highly influential Japanese entertainment media that boast tremendous domestic consumption as well as worldwide distribution and an international audience Drawing on Tradition examines religious aspects of the culture of manga and anime production and consumption through a methodological synthesis of narrative and visual analysis history and ethnography Rather than merely describing the incidence of religions such as Buddhism or Shinto in these media Jolyon Baraka Thomas shows that authors and audiences create and re create religious frames of mind through their imaginative and ritualized interactions with illustrated worlds Manga and anime therefore not only contribute to familiarity with traditional religious doctrines and imagery but also allow authors directors and audiences to modify and elaborate upon such traditional tropes sometimes creating hitherto unforeseen religious ideas and practices The book takes play seriously by highlighting these recursive relationships between recreation and religion emphasizing throughout the double sense of play as entertainment and play as adulteration i.e. the whimsical or parodic representation of religious figures doctrines and

imagery Building on recent developments in academic studies of manga and anime as well as on recent advances in the study of religion as related to art and film Thomas demonstrates that the specific aesthetic qualities and industrial dispositions of manga and anime invite practices of rendition and reception that can and do influence the ways that religious institutions and lay authors have attempted to captivate new audiences Drawing on Tradition will appeal to both the dilettante and the specialist Fans and self professed otaku will find an engaging academic perspective on often overlooked facets of the media and culture of manga and anime while scholars and students of religion will discover a fresh approach to the complicated relationships between religion and visual media religion and quotidian practice and the putative differences between traditional and new religions

Pure Invention Matt Alt, 2020-06-23 The Walkman Karaoke Pikachu Pac Man Akira Emoji We've all fallen in love with one or another of Japan's pop culture creations from the techy to the wild to the super kawaii But as Japanese media veteran Matt Alt proves in this brilliant investigation of Tokyo's pop fantasy complex we don't know the half of it Japan's toys gadgets and fantasy worlds didn't merely entertain They profoundly transformed the way we live In the 1970s and 80s Japan seemed to exist in some near future soaring on the superior technology of Sony and Toyota while the West struggled to catch up Then a catastrophic 1990 stock market crash ushered in the lost decades of deep recession and social dysfunction The end of the boom times should have plunged Japan into irrelevance but that's precisely when its cultural clout soared when once again Japan got to the future a little ahead of the rest of us Hello Kitty the Nintendo Entertainment System and entertainment empires like Pokémon and Dragon Ball Z were more than marketing hits Artfully packaged dangerously cute and dizzyingly fun these products made Japan the forge of the world's fantasies and gave us new tools for coping with trying times They also transformed us as we consumed them connecting as well as isolating us in new ways opening vistas of imagination and pathways to revolution Through the stories of an indelible group of artists geniuses and oddballs Pure Invention reveals how Japanese ingenuity remade global culture and may have created modern life as we know it It's Japan's world we're just gaming texting singing and dreaming in it

Heavy Metal, Gender and Sexuality Florian Heesch, Niall Scott, 2016-07-07 Heavy Metal Gender and Sexuality brings together a collection of original interdisciplinary critical essays exploring the negotiated place of gender and sexuality in heavy metal music and its culture Scholars debate the current state of play concerning masculinities femininities queerness identity aesthetics and monstrosities in an area of music that is sometimes mistakenly treated as exclusively sustaining a masculinist hegemony The book combines a broad variety of perspectives on the main topic regarding gender in connection to the history of the genre the range of metal subgenres heavy metal's multidimensional scope music lyrics performance style illustrations men and women sexualities and various local and global perspectives Heavy Metal Gender and Sexuality is a text that opens up the world of heavy metal to reveal that it is a very diverse and ground breaking stage where gender play is at the centre of its theatricality and sustains its mass appeal

**Japan Quarterly**, 2001

**The Journal of Japanese Studies**, 2006

**Modern Japanese Culture and Society** Dolores P. Martinez, 2007      **Frames of Anime** Tze-yue G. Hu, 2010 This text is an interdisciplinary study of the subject of anime a popular form of Japanese animation Using a variety of research methods and spanning a period of nine years the volume provides an alternative account of the growth of the medium genre

**Subject Guide to Books in Print** ,1991      *Proceedings of the Association for Japanese Literary Studies* ,2000

Regionalizing Culture Nissim Otmazgin, 2013-09-30 The political economy of popular culture Popular culture and the East Asian region Japan s popular culture powerhouse The creation of a regional market Japan s regional model Conclusion Japanese popular culture and the making of East Asia      **Oral History** ,2003      **Transglobal Economies and Cultures** Roland B. Tolentino, Jin Hui Ong, Ai Yun Hing, 2004 This book examines areas of dialogue and critique intersections and disjunctures including cultural boundary crossings such as aikido in Singapore Japanese female students in Australia postwar films in the Philippines and the rock subculture in the global era
