Maitre Roulette Extra One:

Love Songs AnnieMae Robertson,2002-04-21 Love seems to be the balance pole Too little and your load shifts precariously one way too much and it swings the other Love Songs is a unique collection of short works It was intended to be a concert of sweet old love songs to ease the soul Instead the pieces are truer to the agony of blues Some are amusing some abrasive some tragic And all are thought provoking cautionary tales Death of a Mordot the crowning novella illustrates the fickle nature of gods and the inability of the inhabitants of that world to feel the compassion needed to survive It is a fantasy romance of diversity tolerance and faith all that good stuff we could use in our world where our gods hard cash and cruel power are just as fickle and even more dangerous This is a book to be read curled up in a cozy place with your favorite comfort food or on the subway on your way to fight dragons Better yet if you are a dragon on a hillside on your way to fight men A superb collection Robertson really tells it like it is This is a MUST READ G Abrams Proof Picks **Science Fiction, Horror & Fantasy Film and Television Credits: Television shows** Harris M. Lentz (III.),2001 **And the Swan Died** Jack Dold,2016-08-20 Billionaire businessman Raymond Barksley is privy to a startling secretthat the earths core is heating at a rate that will result in the destruction of the planet A deeply religious man Barksley fears the destructive societal forces that will be unleashed when news of the catastrophe is broadcast around the globe and he formulates a plan to allow mankind to end its days with faith and dignity His vision widens into a global effort drawing in political and religious leaders community activists and common citizens as they frantically scramble to provide food and security to people of faith and hope And The Swan Died asks the question What would you do if you knew you had four months to live and answers it in hundreds of ways As mankind struggles with its final days on earth powerful forces move toward reconciliation seeking to end ancient enmities before it is too late Raymond Barksley sets those forces in motion in his effort to ensure that people of faith have the food and security they need to face their final judgment and to live out their lives with dignity It is a daunting task to enlist the religious and secular leadership needed for such a vision **Hotel Monthly** ,1921 *Good Housekeeping* ,1923
