content that makes them essential pedagogical tools in the Age of Trump where truth isn't truth and tribalism is stoked with claims of fake news. This collection aims to broaden the scholarship by examining underrepresented and unrepresented works from his oeuvre and situating them in the context of their pedagogical implications. In both form and content, the transgressive nature of Palahniuk's work demands critical thought and reflection capacities that are necessary for the preservation of a democratic society. Contributors take various approaches to address what students can learn about writing literature and society by reading and analyzing Palahniuk's texts. The collection will discuss the value of teaching Palahniuk innovations and various disciplinary contexts for teaching his works and reflections on some of those pedagogical opportunities. Through its multifaceted discussion of Palahniuk and pedagogy, this collection will legitimize efforts to bring his work onto syllabi and into the classroom where it can enhance student engagement, create new avenues for interdisciplinary scholarship, and reinvigorate an expansion of the canon. It will also provide diverse frameworks for incorporating and interpreting Palahniuk's writing across disciplines. Finally, the collection will offer post mortems from faculty members who have found the guts to teach Palahniuk and will offer insight into what students have gained and stand to gain from a more intensive Palahniuk pedagogy.

Make Something Up Chuck Palahniuk, 2016-04-19. Twenty-one stories and one novella from Chuck Palahniuk literature's favorite transgressive author. *Make Something Up* is a compilation that disturbs and delights in equal measure. In *Expedition*, fans will be thrilled to find to see a side of Tyler Durden never seen before in a precursor story to *Fight Club*. And in other stories, the absurdity of both life and death are on full display. In *Zombies*, the best and brightest of a high school prep school become tragically addicted to the latest drug craze: electric shocks from cardiac defibrillators. In *Knock Knock*, a son hopes to tell one last off-color joke to a father in his final moments. While in *Tunnel of Love*, a massage therapist runs the curious practice of providing relief to dying clients. Funny, caustic, bizarre, poignant—these stories represent everything readers have come to love and expect from Chuck Palahniuk. You'll never forget them. Just try.
