The listed business is equipped with a multiple camera video surveillance system that captures both the interior of the business and the exterior surrounding parking area. The exterior surveillance video depict the victim's vehicle arriving at 3:30 PM and the victim and [REDACTED] enter the store at 3:31 PM. At 3:32 PM, the suspect vehicle is observed arriving at the incident location and parking in the same parking area. Immediately thereafter, two subjects exit the driver's side of the suspect vehicle. The subject that exited the driver's seat was a black male wearing a white tank top and the other subject was a heavy set black male in a dark colored t-shirt.

Interior video surveillance depict the two subjects enter the listed business at 3:33 PM and walk past the victim and [REDACTED] who are already in the store shopping. It is now clear that the subject in the white tank top is wearing bright orange colored sandals. Moments later, the two subjects are observed on surveillance walking to the parts department where the subject wearing the white tank top makes a cash purchase. Both subjects then exit the store and return to the suspect vehicle and enter into it through the driver's side, the same way they exited the vehicle. The suspect vehicle remains in the same position in the parking lot for approximately ten minutes then exits the parking lot through the north gate at 3:48 PM. The suspect vehicle is then observed driving slightly westbound on NW 37th Street, then backing into the parking area in front of the residence located at 641 NW 37th Street; just north and west of the gate.

There is an clear and obstructed view of the north gate to the incident location from where the suspect vehicle is parked. The suspect vehicle remains parked at this location until the victim's vehicle begins to leave at 3:55 PM.

The video surveillance shows that when the victim's vehicle attempts to leave through the north gate, the suspect SUV travels east towards the victim's vehicle and blocks the victim's vehicle by pulling in front of it. (It should be noted that the surveillance cameras maintain sight of the suspect vehicle
