

Quick Text

Jane Eyre

The full story in quick modern English for a fast-paced read!

In the early 1800s, Jane Eyre's parents die - leaving young Jane to be looked after by her uncle and aunt; but after the death of her uncle, her aunt and cousins make her life truly miserable. Surely, being sent away to school could only improve things?

Charlotte Brontë's classic 1847 novel follows the life of Jane Eyre from turbulent childhood into the heartaches of adulthood, and is reminiscent of the author's own experiences. It was written at the dawn of feminism, when female authors were rare, and books about the lives of women were even rarer.

This graphic novel adaptation presents the classic story through beautiful hand-painted artwork by the English artist John M. Burns, giving you a truly wonderful and fulfilling reading experience that you'll want to return to again and again.

Script Adaptation: Amy Corrine

Artwork: John M. Burns

Lettering: Terry Wiley

Design & Layout: Jo Wheeler
& Carl Andrews

Additional Information:
Karen Winborn

Editor in Chief: Clive Bryant

"Whether the comic contains the original text or an adapted version, it's about enticing young readers to read, introducing them to the Classics, and providing them with a chance to appreciate and understand great literature. That's how horizons are broadened. That's education."

Chad Bodrean, ComicReaders.com

"...the comic book will inspire adults as well as young people to read the original work. The novel will draw them into the England of two centuries ago, and inspire them to contemplate ideas such as the nature of love and religion, and whether our spiritual consciousness are inextricable from Nature and each other. Nothing stimulates debate as well as a good story."

Richard Wilcocks,

www.brontepersonage.blogspot.com

"The folks at Classical Comics have 'turned up the excitement volume' when it comes to classical literature."

Mary Lee Hahn,

A Year of Reading

"The presence of comics in a junior high school library resulted in a dramatic 82% increase in library traffic and a 30% increase in circulation of non-comic books."

Donnell & Cornell,

School Library Journal
