Japan Inside Out Syngman Rhee, 1941 **Japan Inside Out : The Restored Edition** Syngman Rhee, 2017 **The Seven Keys to Communicating in Japan** Haru Yamada, Orlando R. Kelm, David A. Victor, 2017-09-01 The key to professional success in Japan is understanding Japanese people The authors seasoned cross cultural trainers for businesspeople provide a practical set of guidelines for understanding Japanese people and culture through David A Victor's LESCANT approach of evaluating a culture's language environment social organization context authority nonverbal communication and time conception Each chapter addresses one of these topics and shows effective strategies to overcoming cultural barriers and demonstrates how to evaluate the differences between Japan and North America to help avoid common communication mistakes The book is generously peppered with photographs to provide visual examples Exploring language and communication topics international relations and the business community this book is an excellent intercultural overview for anyone traveling to or working in Japan **Asia Inside Out** Eric Tagliacozzo, Helen F. Siu, Peter C. Perdue, 2015-01-05 The first of three volumes surveying the historical spatial and human dimensions of inter Asian connections Asia Inside Out Changing Times brings into focus the dynamic networks that have linked peoples from Japan to Yemen over the past five centuries Each author examines a single year or decade that redefined Asia **The Spirit of Independence** Syngman Rhee, 2000-10-01 Syngman Rhee Yi S ng man 1875 1965 is undoubtedly one of the most important figures in modern Korean history He emerged as the dominant leader in Korea's nationalist struggle against Japan and served as the first president of the Republic of Korea from 1948 through 1960 Rhee's political career as founder and president however was not without controversy While some hailed him as the George Washington of Korea others regarded Rhee as a little Chiang Kai shek This first English translation of Rhee's magnum opus The Spirit of Independence Tongnip ch ngsin provides readers with an essential key to understanding the breadth and depth of Rhee's thought at a critical juncture in his life and his country's history **Japan Inside Out** Sŭng-man Yi, 1942 *Japan*, 1924 Foreign Friends David P. Fields, 2019-04-19 The division of Korea in August 1945 was one of the most consequential foreign policy decisions of the twentieth century Despite the enormous impact this split has had on international relations from the Cold War to the present comparatively little has been done to explain the decision In Foreign Friends Syngman Rhee American Exceptionalism and the Division of Korea author David P Fields argues that the division resulted not from a snap decision made by US military officers at the end of World War II but from a forty year lobbying campaign spearheaded by Korean nationalist Syngman Rhee Educated in an American missionary school in Seoul Rhee understood the importance of exceptionalism in American society Alleging that the US turned its back on the most rapidly Christianizing nation in the world when it acquiesced to Japan's annexation of Korea in 1905 Rhee constructed a coalition of American supporters to pressure policymakers to right these historical wrongs by supporting Korea's independence Following the attack on Pearl Harbor Rhee and his Korean supporters reasoned that the

American abandonment of Korea had given the Japanese a foothold in Asia tarnishing the US claim to leadership in the opinion of millions of Asians By transforming Korea into a moralist tale of the failures of American foreign policy in Asia Rhee and his camp turned the country into a test case of American exceptionalism in the postwar era Division was not the outcome they sought but their lobbying was a crucial yet overlooked piece that contributed to this final resolution Through its systematic use of the personal papers and diary of Syngman Rhee as well as its serious examination of American exceptionalism *Foreign Friends* synthesizes religious intellectual and diplomatic history to offer a new interpretation of US Korean relations Japan Inside Out (1992) Jay Gluck, Sumi Gluck, Garet Gluck, 1992-07-01 *The Making of the First Korean President* Young Ick Lew, 2013-11-30 The only full scale history of Syngman Rhee s 1875 1965 early career in English was published nearly six decades ago Now in *The Making of the First Korean President* Young Ick Lew uncovers little known aspects of Rhee s leadership roles prior to 1948 when he became the Republic of Korea s first president In this richly illustrated volume Lew delves into Rhee s background investigates his abortive diplomatic missions and explains how and why he was impeached as the head of the Korean Provisional Government in 1925 He analyzes the numerous personal conflicts between Rhee and other prominent Korean leaders including some close friends and supporters who eventually denounced him as an autocrat Rhee is portrayed as a fallible yet charismatic leader who spent his life fighting in the diplomatic and propaganda arena for the independence of his beleaguered nation a struggle that would have consumed and defeated lesser men Based on exhaustive research that incorporates archival records as well as secondary sources in Korean English and Japanese *The Making of the First Korean President* meticulously lays out the key developments of Rhee s pre presidential career including his early schooling in Korea involvement in the reform movement against the Taehan Great Korean Empire and his six year incarceration in Seoul Prison for a coup attempt on Emperor Kojong Rhee s life in the U S is also examined in detail his education at George Washington Harvard and Princeton universities his evangelical work at the Seoul YMCA his extensive activities in Hawai i and attempts to maintain prestige and power among Koreans in the U S Lew concludes that despite the manifold shortcomings in Rhee s authoritarian leadership he was undoubtedly best prepared to assume the presidency of South Korea after the onset of the Cold War in the Korean Peninsula Essential reading for anyone with an interest in modern Korean history this work will serve as a lasting portrait of one of the pivotal figures in the evolution of Korea as it journeyed from colonial suppression to freedom and security **Transactions and Proceedings of the Japan Society, London** Japan Society (London, England), 1897 Transactions and Proceedings of the Japan Society, London, 1896 **Transactions and Proceedings of the Japan Society, London** Japan Society of London, 1896 Occult Japan Percival Lowell, 1895 *Occult Japan Or The Way of the Gods An Esoteric Study of Japanese Personality and Possession* by Percival Lowell first published in 1895 is a rare manuscript the original residing in one of the great libraries of the world This book is a reproduction of that original which has been scanned and cleaned by state of the art publishing tools for better
