Japan S Multilayered Democracy New Studies In Modern Japan:

Japan's Multilayered Democracy Sigal Ben-Rafael Galanti, Alon Levkowitz, Nissim Otmazgin, 2014-12-24 This book introduces a multilayered approach to the study of democracy combining specific knowledge of Japan with theoretical insights from the literature on democratization It examines different aspects of Japanese democracy historical institutional and sociocultural to provide a conscious understanding of the nature and practice of democracy both in Japan and beyond The book s chapters give testimony to the dynamic nature and continuity of Japanese democracy and analyze its strengths and weaknesses The central argument of this book is that Japan s democratization should be seen as a multilayered experience shaped by the gradual process of absorbing democratic ideas forming democratic institutions and practicing democratic behaviors and rituals at various levels of society As the case of Japan shows democracy is neither a structured formula nor only a set of democratic laws and institutions but a continuous gradual process **Japan's Multilayered**

Democracy Sigal Ben-Rafael Galanti, Nissim Otmazgin, Alon Levkowitz, 2015 This book introduces a multilayered approach to the study of democracy combining specific knowledge of Japan with theoretical insights from the literature on democratization It examines different aspects of Japanese democracy historical institutional and sociocultural to provide a conscious understanding of the nature and practice of democracy both in Japan and beyond The book s chapters give testimony to the dynamic nature and continuity of Japanese democracy and analyze its strengths and weaknesses The central argument of this book is that Japan s democratization should be seen as a multilayered experience shaped by the gradual process of absorbing democratic ideas forming democratic institutions and practicing democratic behaviors and rituals at various levels of society As the case of Japan shows democracy is neither a structured formula nor only a set of democratic laws and institutions but a continuous gradual process **Living Transnationally between Japan and Brazil** Sarah A.

LeBaron von Baeyer, 2019-11-29 Based on over two years of participant observation in labor brokerage firms factories schools churches and people s homes in Japan and Brazil Sarah LeBaron von Baeyer presents an ethnographic portrait of what it means in practice to live transnationally that is to contend with the social institutional and aspirational landscapes bridging different national settings Rather than view Japanese Brazilian labor migrants and their families as somehow lost or caught between cultures she demonstrates how they in fact find creative and flexible ways of belonging to multiple places at once At the same time the author pays close attention to the various constraints and possibilities that people face as they navigate other dimensions of their lives besides ethnic or national identity namely family gender class age work education and religion **Single Mothers in Contemporary Japan** Aya Ezawa, 2016-05-12 Combining work and family remains a major challenge for married women in contemporary Japan and it s not uncommon for them to quit working when starting a family Single mothers by contrast almost always work regardless of the age of their children Despite their eagerness to support themselves and their children through employment their average income remains low and many live on a household

budget close to the poverty line This book examines how the difficult living conditions facing single mothers in Japan highlight not only the challenges they face in earning a family wage and managing the work family balance but also reveals the class dimensions of family life in contemporary Japan The need to make ends meet with few resources means that mothers may find it difficult to uphold the lifestyle they may consider as most appropriate for the upbringing of their children and that they may have to choose between their presence at home in line with the ideal of the middle class housewife and mother or devoting more time to earning an income that can pay for a good education Social class in this case is not just a matter of education occupation or income but is also expressed by mothers approaches to their children s upbringing and future opportunities in education and employment Based on life history interviews with single mothers this study examines the gendered meanings of social class and social achievement and the role of maternal practices in shaping their children s future life trajectories

Rethinking Japan Arthur Stockwin,Kweku Ampiah,2017-02-15 The authors argue that with the election of the Abe Government in December 2012 Japanese politics has entered a radically new phase they describe as the 2012 Political System The system began with the return to power of the Liberal Democratic Party LDP after three years in opposition but in a much stronger electoral position than previous LDP based administrations in earlier decades Moreover with the decline of previously endemic intra party factionalism the LDP has united around an essentially nationalist agenda never absent from the party s ranks but in the past was generally blocked or modified by factions of more liberal persuasion Opposition weakness following the severe defeat of the Democratic Party of Japan DPJ administration in 2012 has also enabled the Abe Government to establish a political stability largely lacking since the 1990s The first four chapters deal with Japanese political development since 1945 and factors leading to the emergence of Abe Shinz as Prime Minister in 2012 Chapter 5 examines the Abe Government s flagship economic policy dubbed Abenomics The authors then analyse four highly controversial objectives promoted by the Abe Government revision of the 1947 Peace Constitution the introduction of a Secrecy Law historical revision national identity and issues of war apology and revised constitutional interpretation permitting collective defence In the final three chapters they turn to foreign policy first examining relations with China Russia and the two Koreas second Japan and the wider world including public diplomacy economic relations and overseas development aid and finally the vexed question of how far Japanese policies are as reactive to foreign pressure In the Conclusion the authors ask how far right wing trends in Japan exhibit common causality with shifts to the right in the United States Europe and elsewhere They argue that although in Japan immigration has been a relatively minor factor economic stagnation demographic decline a sense of regional insecurity in the face of challenges from China and North Korea and widening gaps in life chances bear comparison with trends elsewhere Nevertheless they maintain that a more sane regional future may be possible in East Asia

Traveling Texts and the Work of Afro-Japanese Cultural Production William H. Bridges IV,Nina Cornyetz,2015-06-24 *Traveling Texts and the Work of Afro Japanese Cultural Production* analyzes the

complex conversations taking place in texts of all sorts traveling between Africans African Diasporas and Japanese across disciplinary geographic racial ethnic linguistic and cultural borders Be it focused on the make up of the blackface ganguro or the haiku of Richard Wright Rastafari communities in Japan or the black enka singer Jero the volume turns its attention away from questions of representation to ones concerning the generative aspects of transcultural production The contributors are interested primarily in texts in motion the contradictory motion within texts the traveling of texts and the action that such kinetic energy inspires in readers viewers listeners and travelers As our texts travel and travail the originary nodal points that anchor them to set significations loosen and are transformed the essays trace how in the process of traveling the bodies and subjectivities of those working to reimagine the text s in new sites moderate accommodate and transfigure both the texts and themselves

Creating Japan's Ground Self-Defense Force, 1945-2015 David Hunter-Chester, 2016-11-30 Creating Japan's Ground Self Defense Force 1945 2015 is a timely contribution to postwar Japan security studies It is the first comprehensive account of Japan's post 1945 army including a comprehensive institutional history together with the evolution of roles and missions and the adoption of successive professional identities The organizational history is embedded within a thorough examination of Japan's own defense policy as well as of America's policy of alliance with Japan The book examines and challenges assumptions about the drafting and adoption of the War Renunciation clause of Japan's postwar Peace Constitution Article 9 which uniquely not only renounces war but the arms to wage war Thus Japan's army is not called an army but the Ground Self Defense Force GSDF The work also examines the place of an army and soldiers in the formation of Japan's national identity after its last devastating war and explores the impact of constitutional legal and policy restrictions as well as the power of the legacy of the still largely vilified Imperial Japanese Army on GSDF members who seek to serve because there are people we want to protect The study is rounded by an examination of the place of soldiers in Japan's popular culture focused on movies manga and anime assessing the impact on the GSDF of a public imagination that most often ignores or villainizes soldiers though ending with a note that some positive images of soldiers and of the GSDF members themselves have started to appear in the last few years The book's author a retired U S Army soldier who spent more than twenty years working studying and training with the GSDF offers a broad ranging exploration of a unique organization This work is extensively researched using English and Japanese sources and will appeal to anyone interested in Japanese security studies alliance studies and military imagery in Japanese pop culture as well as to students of military history international security international relations and cultural identity

The politics of modern Japan Christopher Philip Hood, 2008 Owing to the changing nature of Japan and its role within the world more needs to be known of the dynamics of Japanese politics This timely set brings together key articles on the most crucial issues facing Japanese politics today and the relationship between Japanese politics and the main institutions including big business the bureaucracy and the media This is an area that has been studied by leading academics for a number of decades but whose work has yet to be

given sufficient notice or credit With more and more students enrolling at universities to study Japan there is a demand for books which bring comprehensive and key articles under one umbrella To date there have been few books which have dealt with Japanese politics Most have been on issues which are covered in articles contained in this collection **Gaiko Forum** ,2004 Social Science Japan ,2006 *Bibliography of Asian Studies* ,1991 **Sociological Abstracts** Leo P. Chall,2003 CSA Sociological Abstracts abstracts and indexes the international literature in sociology and related disciplines in the social and behavioral sciences The database provides abstracts of journal articles and citations to book reviews drawn from over 1 800 serials publications and also provides abstracts of books book chapters dissertations and conference papers

Newsletter of Research on Japanese Politics ,1973 European Journal of Political Research ,2005 **Index to Theses with Abstracts Accepted for Higher Degrees by the Universities of Great Britain and Ireland and the Council for National Academic Awards** ,2007 **AccessAsia** ,1995 *The United States and Japan* Samia El-Badry,Heidi Lopez-Cepero,Fred Young Phillips,1993 **Artbibliographies Modern** ,1992 Abstracts of journal articles books essays exhibition catalogs dissertations and exhibition reviews The scope of ARTbibliographies Modern extends from artists and movements beginning with Impressionism in the late 19th century up to the most recent works and trends in the late 20th century Photography is covered from its invention in 1839 to the present A particular emphasis is placed upon adding new and lesser known artists and on the coverage of foreign language literature Approximately 13 000 new entries are added each year Published with title LOMA from 1969 1971 *The Challenge of New Technology and Macro-political Change* William M. Lafferty,Eliezer Rosenstein,1993 This reference provides policymakers practitioners and scholars with important work on the latest developments in new technology and macropolitical organization The contributors eminent scholars from a variety of disciplines and countries examine the economic political and sociocultural forces which have brought about new developments and a potential future for organizational democracy around the world **Abstracts of Papers** International Political Science Association. World Congress,1985

Japan S Multilayered Democracy New Studies In Modern Japan Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Japan S Multilayered Democracy New Studies In Modern Japan PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational

resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Japan S Multilayered Democracy New Studies In Modern Japan PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Japan S Multilayered Democracy New Studies In Modern Japan free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.
