**Wise Child** Amy Molloy, 2025-04-01 What if the key to raising confident happy grounded children was tapping into their innate wisdom Welcome to a new era of past life parenting Today's young people are not like any generations before them They are sensitive intuitive and shockingly eloquent According to research many can also recall past life memories Meet Generation Reincarnation and they want us to listen to them So how can we see them Enter Amy Molloy award winning journalist and mother of three After the birth of her son she found herself in a past life session partly out of curiosity and partly desperation An hour later she walked out with a blueprint of how to parent her children Once she looked back everything changed Through extensive interviews with experts including kids Wise Child offers a radical way to raise toddlers children and teens that has the power to offer instant relief to caregivers and children Learn how to Listen to your children's chatter without frustration Reframe issues around sleep phobias and allergies Appreciate your child's differences and stop comparing Talk to your child about love loss and separation Stop fearing the passing of time Celebrate neurodivergence as a spiritual gift Remember our children are sent to inspire and expand us Whether you have a big feeling child a boundary tester or a teen that doesn't seem to fit in this is your permission slip to trust them and your own capabilities When you'd usually run out of patience compassion and energy past life parenting can extend your inner resources Plus it makes life a lot more fun There's a huge relief when you realise that a parent doesn't need all the answers and that a child has more answers than we think they do
