Make Him Beg to Be Your Boyfriend J.D. Rockefeller, 2015-06-21 We are born with the natural ability to attract a mate But we have to learn the art of attracting a boyfriend Males including human males are generally ready to mate at any and every opportunity But mating to a male is just that It is a physical act that feels good and is a natural bodily function To the male the act itself is the entirety of the mission So he is quite surprised when the act is completed and the female is still around In our evolved state he will normally find a way to excuse himself from the situation Basically he has two options He can state that's all there is Or he can run He will run Before we learn how to make a man want to be our boyfriend we must define the term boyfriend A boyfriend is a male companion that you have a deep relationship that sometimes includes a sexual nature But let's explain what a boyfriend is not He is not just a mating partner If the entirety of the relationship is mating that is what it is He is not your boyfriend He is just your sex buddy This is the big one A boyfriend is NOT your husband A husband has a legal and moral obligation to care for you He is required by society to hold you up when you can't stand He promises to remain with you through whatever life throws your way He is your protector partner friend and lover and you are his Being a husband is hard work It takes dedication commitment and much effort When a man moves from boyfriend status to husband status he is in essence saying he will put your needs before his

own and build a life with you It is not easy which is why it comes with a legally binding license of marriage which has no expiration date If you want a man to beg to be your boyfriend you must want a boyfriend You must be honest with yourself You want more than a sex buddy but less than a husband You want the closeness of a relationship but understand it stops short of becoming a lifelong commitment You want him to want to be with you and care for you but you understand that you are required to care for yourself and be responsible for your own well being In essence being in a boyfriend girlfriend relationship is digging deep into each other to determine if this is something you want to take to the next level But keep those boundaries clear Neither of you has the right to expect the benefits of spouse And both of you have the right and responsibility to walk away if it is not the right balance Okay so now we know what a boyfriend is and what it is not and hopefully you still want one So how do we prepare ourselves to attract one This book will show you how so let's get started
