The First World War ... Edited and Translated by Martin Kieffer* Richard Lodois THOUMIN,Martin KIEFFER,1963 **Writing the Great War** Christoph Cornelissen,Arndt Weinrich,2022-11-11 From the Treaty of Versailles to the 2018 centenary and beyond the history of the First World War has been continually written and rewritten studied and contested producing a rich historiography shaped by the social and cultural circumstances of its creation Writing the Great War provides a groundbreaking survey of this vast body of work assembling contributions on a variety of national and regional historiographies from some of the most prominent scholars in the field By analyzing perceptions of the war in contexts ranging from Nazi Germany to India's struggle for independence this is an illuminating collective study of the complex interplay of memory and history *Tourism and Architectural Simulacra* Nelson Graburn,Maria Gravari-Barbas,Jean-Francois Staszak,2021-07-05 Since its beginnings tourism has inspired built environments that have suggested reinvented relationships with their original architectural inspirations Copies reinterpretations and simulacra still constitute some of the most familiar and popular tourist attractions in the world Some reinterpret archetypes such as the ancient palace the Renaissance villa or the Mediterranean village Others duplicate the cities in which we lived in the past or we still live today And others realise perceptions of utopias such as Shangri La Eden or Paradise Replicas duplitecture and simulacra can have symbolic meaning for tourists as merely inspiring an atmosphere or as

truly authentic and their relationship to original functions for worship accommodation leisure or shopping Tourism and Architectural Simulacra questions and rethinks the different environments constructed or adapted both for and by tourism exploring the relationship between the architectural inspiration and its reproduction within the tourist bubble The wide range of geographical areas eras and subjects in this book show that the expositions of simulacra and hyper reality by Baudrillard Deleuze and Eco are surpassed by our complex world Adopting an interdisciplinary approach they offer original insights of the complex relationship between tourism and architecture The chapters in this book were originally published as a special issue of the Journal of Tourism and Cultural Change **Henri de Rothschild, 1872-1947** Harry W.

Paul,2016-12-05 Dr Henri de Rothschild was a fifth generation Rothschild and perhaps the most famous of the Paris Rothschilds of the fin de siècle period A sleeping partner of the bank and the non drinking owner of Mouton Rothschild Henri spent much of his life building medical institutions and promoting scientific medicine including the promotion of Ehrlich's Salvarsan to cure syphilis and the use of radium to cure cancer His hospital in a working class area of northern Paris boasted the latest in medical advances Henri was particularly influential in developing the new science of infant feeding while his broader concerns with infant health led to his playing a prominent role in the development of the specialty of pediatrics This biography of Henri de Rothschild focuses on his medical achievements and that of his close family in France Henri his wife Mathilde and his mother Thérèse all had busy medical careers during World War I The book also gives an account of both women's experiences of the war Along with his explicitly scientific medical concerns Henri was also a prolific playwright and under the pseudonym Andr  Pascal wrote several plays about doctors This book situates the plays and particularly the themes of charlatanism women doctors and medical ethics in their contemporary context of the social and medical life of Paris A fascinating and vividly written study of a somewhat neglected figure in the history of the illustrious Rothschild family this book will make a valuable addition to the libraries of scholars in the history of medicine and those studying child health and welfare the portrayal of doctors in literature and more broadly the social and cultural life of early twentieth century Paris
