Little Black Lies S. J. Bolton, 2015-05-19 First published in Great Britain by Bantam Press an imprint of Transworld Publishers a Penguin Random House UK Company **Little Black Lies** Sandra Block, 2025-05-01 She helps people conquer their demons But she has a few of her own In the halls of the psychiatric ward Dr Zoe Goldman is a resident in training dedicated to helping troubled patients However she has plenty of baggage of her own When Zoe becomes obsessed with questions about her own mother s death the truth remains tauntingly out of reach locked away within her nightmares of an uncontrollable fire And as her adoptive mother loses her memory to dementia the time to find the answers is running out As Zoe digs deeper she realizes that the danger is not just in her dreams but is now close at hand And she has no choice but to face what terrifies her the most Because what she can t remember just might kill her **Little Black Lies** is about madness and memory and the dangerous little lies we tell ourselves just to survive **Little Black Lies** Sharon Bolton, 2015-08-04 A twisty up all night standalone thriller from the highly acclaimed author of the Lacey Flint series Three confessions Two liars One killer Three friends have had their lives ripped apart Their pasts haunt them They are consumed by guilt And they don t trust anyone Not even themselves But in their small isolated island community trust is the only way to survive Now a child has gone missing And no one knows who to believe There can only be one killer So why are three people confessing to the same crime Little Black Lies Tish Cohen, 2010-12-28 Sara Black is tiptoeing across a fraying tightrope As the new eleventh grader at Anton High the most elite public school in the country she sticks out like an old VW bus in a parking lot full of shiny BMWs But being the new kid also brings a certain advantageous anonymity In Anton High s world of privilege intelligence and wealth Sara can escape her family s tarnished past and become whomever she wants And what s the harm in telling a few little black lies when it can lead to popularity That is until another it girl at Anton becomes jealous of Sara s social climbing With her balance evaporating one small push could bring Sara crashing down **Legends of the North Cascades** Jonathan Evison, 2021-06-08 A beautifully rendered and cinematic portrait of a place and its evolution through time A story of survival and the love and devotion between parent and child Jill McCorkle author of Hieroglyphics Dave Cartwright used to be good at a lot of things good with his hands good at solving problems good at staying calm in a crisis But on the heels of his third tour in Iraq the fabric of Dave s life has begun to unravel Gripped by PTSD he finds himself losing his home his wife his direction Most days his love for his seven year old daughter Bella is the only thing keeping him going When tragedy strikes Dave makes a dramatic decision the two of them will flee their damaged lives heading off the grid to live in the wilderness of the Pacific Northwest As they carve out a home in a cave in that harsh breathtaking landscape echoes of its past begin to reach them Bella retreats into herself absorbed by visions of a mother and son who lived in the cave thousands of years earlier at the end of the last ice age Back in town Dave and Bella themselves are rapidly becoming the stuff of legend to all but those who would force them to return home As winter sweeps toward the North Cascades past and present

intertwine into a timeless odyssey Poignant and profound *Legends of the North Cascades* brings Jonathan Evison's trademark vibrant honest voice to bear on an expansive story that is at once a meditation on the perils of isolation and an exploration of the ways that connection can save us *The Conclusion of My Confusion* Chantel Philogene,2011 **The Girl Without a Name** Sandra Block,2015-08-25 A gripping thriller featuring psychiatrist Zoe Goldman a smart heartbreakingly vulnerable and laugh out loud funny heroine Lisa Scottoline New York Times bestselling author In what passes for an ordinary day in a psych ward Dr Zoe Goldman is stumped when a highly unusual case arrives A young African American girl found wandering the streets of Buffalo in a catatonic state is brought in by police No one has come forward to claim her and all leads have been exhausted so Zoe's treatment is the last hope to discover the girl's identity When drugs prove ineffective and medical science seems to be failing Zoe takes matters into her own hands to track down Jane Doe's family and piece together their checkered history As she unearths their secrets she finds that monsters hide where they are least expected And now she must solve the mystery before it is too late Because someone wants to make sure this young girl never remembers *The Girl Without a Name* is a powerful novel of memory and forgetting of unexpected friendship and understanding and of the secrets we protect no matter the consequences What author Sandra Block does best is the incorporation of real psychiatry and therapy into the story Between Zoe's own treatment and her work at the hospital the book sometimes feels like a cross between TV's CSI and *House* a compelling realistic read Rifflebooks.com The mystery works due to the unusual setting and the strong empathetic lead character Booklist *Island Genres, Genre Islands* Ralph Crane,Lisa Fletcher,2017-02-03 *Island Genres* *Genre Islands* moves the debate about literature and place onto new ground by exploring the island settings of bestsellers Through a focus on four key genres crime fiction thrillers popular romance fiction and fantasy fiction Crane and Fletcher show that genre is fundamental to both the textual representation of real and imagined islands and to actual knowledges and experiences of islands The book offers broad comparative readings of the significance of islandness in each of the four genres as well as detailed case studies of major authors and texts These include chapters on Agatha's Christie's islands the role of the island in *Bondspace* the romantic islophilia of Nora Roberts's *Three Sisters* *Island* series and the archipelagic geography of Ursula Le Guin's *Earthsea* Crane and Fletcher's book will appeal to specialists in literary studies and cultural geography as well as in island studies *Youth's Companion* ,1907 **The Beaver Manifesto** Glynnis Hood,2011-07-26 Provocative passionate and populist RMB Manifestos are short and concise non fiction books of literary critical and cultural studies Beavers are the great comeback story a keystone species that survived ice ages major droughts the fur trade urbanization and near extinction Their ability to create and maintain aquatic habitats has endeared them to conservationists but puts the beavers at odds with urban and industrial expansion These conflicts reflect a dichotomy within our national identity We place environment and our concept of wilderness as a key touchstone for promotion and celebration while devoting significant financial and personal resources to combating the beaver problem We need to rethink our

approach to environmental conflict in general and our approach to species specific conflicts in particular Our history often celebrates our integration of environment into our identity but our actions often reveal an exploitation of environment and celebration of its subjugation Why the conflict with the beaver It is one of the few species that refuses to play by our rules and continues to modify environments to meet its own needs and the betterment of so many other species while at the same time showing humans that complete dominion over nature is not necessarily achievable
