Salesforce delivers an inspiring vision for successful companies of the future in which changing the world is everyone's business. An urgent and compelling book for anyone in business who yearns to fulfill a higher mission in the world. Richard Branson: What's the secret to business growth and innovation and a purpose-driven career in a world that is becoming vastly more complicated by the day? According to Marc Benioff, the answer is embracing a culture in which your values permeate everything you do. In *Trailblazer*, Benioff gives readers a rare behind-the-scenes look at the inner workings of one of the world's most admired companies. He reveals how Salesforce's core values—trust, customer success, innovation, and equality—and commitment to giving back have become the company's greatest competitive advantage and the most powerful engine of its success. Because no matter what business you're in, Benioff says, values are the bedrock of a resilient company culture that inspires all employees at every level to do the best work of their lives. Along the way, he shares insights and best practices for anyone who wants to cultivate a company culture positioned to thrive in the face of the inevitable disruption ahead. None of us in the business world can afford to sit on the sidelines and ignore what's going on outside the walls of our workplaces. In the future, profits and progress will no longer be sustainable unless they serve the greater good. Whether you run a company, lead a small team, or have just draped an ID badge around your neck for the first time, *Trailblazer* reveals how anyone can become an agent of change. Praise for *Trailblazer*: A guide for what every business and organization must do to thrive in this period of profound political and economic change. Jamie Dimon, chairman and CEO of JPMorgan Chase. In *Trailblazer*, Benioff explores how companies can nurture a values-based culture to become powerful platforms for change. Susan Wojcicki, CEO of YouTube. *The Cambridge Companion to Literature and Disability*, Clare Barker, Stuart Murray, 2018.
