Michael Swan Learner English:

Learner English Michael Swan, Bernard Smith, 2001-04-26 A practical reference guide to help teachers to predict and understand the problems their students have **Learner English** Michael Swan, Bernard Smith, 2001-04-26 This updated edition is a practical reference guide which compares the relevant features of a student's own language with English helping teachers to predict and understand the problems their students have Learner English has chapters focusing on major problems of pronunciation grammar vocabulary and other errors as well as new chapters covering Korean Malay Indonesian and Polish language backgrounds **Learner English** Michael Swan, Bernard Smith, 1987-08-27 As a teacher of English as a foreign or second language have you ever wished you knew more about your students' mother tongues Learner English is a practical reference book which compares the relevant features of the students' own languages with English helping teachers to predict and understand the problems their students have The nineteen chapters each of which covers one language background are written by specialists with experience in teaching students from the areas concerned The chapters describe and explain the most important typical pronunciation grammar vocabulary and other mistakes of learners who speak Dutch Flemish Scandinavian languages except Finnish German French Italian Spanish Catalan Portuguese Greek Russian Farsi Arabic Turkish Indian languages West African languages Swahili Japanese Chinese Vietnamese and Thai The book is accompanied by a cassette with authentic examples of the various accents described in the book **Learner English** Michael Swan, Bernard Smith, 1991 **Learning One-to-One Paperback with CD-ROM** Ingrid Wisniewska, 2010-08-19 Learning One to One helps teachers take advantage of the opportunities of one to one teaching and also cope with its challenges Part 1 provides practical guidelines on teaching individual learners and looks at the roles a one to one teacher may have such as conversation partner or observer and listener Part 2 contains easy to use activities through which both teacher and learner can focus on the language the learner wants to learn Many of the activities include ideas for using technology and online resources which can help to develop language skills as well as being fun to use **Five-Minute Activities for Young Learners** Penny McKay, Jenni Guse, 2007-03-16 A selection of short activities organized around six themes Animals Journeys Fantasy and adventure The world around us Healthy bodies and About me Practical English Usage Michael Swan, 2016-12-22 Fully revised and updated and now available online and in print Language Learning with Technology Graham Stanley, 2013-04-04 Contains over 130 practical classroom activities suitable for beginners to more advanced learners incorporating a wide range of up to date tools such as mobile technologies and social networking Page 4 of cover *Podcasting and Education* Carola Boehm, Tim Canfer, Camilo Salazar, 2025-07-31 Podcasting and Education Concepts Communities and Case Studies provides both theoretical frameworks and real life examples to support readers in the use of podcasting as a medium in education This edited collection brings together the collective experience of educators from around the world who use podcasting in their pedagogical toolset providing a rich diverse collection of practical insights

for educating through podcasting Readers will be able to gain a deeper understanding of the diversity of opportunities for embedding audio into the classroom learn from practitioners and educators who have been using podcasting in education for years and gather ideas from inspirational case studies that represent models which can be adapted adopted or amended to suit a variety of contexts This book will be of interest to both educators and podcasters with an interest in facilitating learning journeys in day to day settings educational classrooms and academia as well as instructors of all kinds including those teaching audio media production and journalism

Within Language, Beyond Theories (Volume II) Anna Bloch-Rozmej, Karolina Drabikowska, 2015-06-18 This is the second volume in a series of three books called *Within Language Beyond Theories* which focuses on current linguistic research surpassing the limits of contemporary theoretical frameworks in order to provide new insights into the structure of the language system and to offer more comprehensive accounts of linguistic phenomena from a number of the world's languages The volume is composed of eighteen chapters each focusing on a significant issue in the field of applied linguistics

Learner Autonomy Agota Scharle, Anita Szabo, 2000-08-17 *Learner Autonomy* offers practical guidance on helping learners realise that their contribution to the teaching learning process is crucial It also encourages them to take an active role in their own learning Rather than advocating radical changes in Classroom Management the book focuses on the gradual process of changing learner attitudes The activities are designed to develop a comprehensive range of skills and attitudes including motivation learning strategies self monitoring and co operation The activities can be easily integrated into the regular curriculum as almost all serve some linguistic purpose in addition to learner development

Grammatical Categories in Linguistics and Education Holden Härtl, Katharina Zaychenko, 2024-11-04 This volume explores how grammatical categories as defined by theoretical linguistics are effectively implemented in language education Aiming to bridge the gap between linguistic research and language pedagogy it offers a detailed inquiry that spans theoretical frameworks and empirical data By presenting a series of insightful studies this work illustrates how findings from theoretical linguistics can be applied to enhance practical language instruction demonstrating the reciprocal enrichment of both fields Essential for linguists language educators and researchers interested in the intersections of grammar cognition and pedagogy the volume is organized into four engaging sections Each section illuminates the nuances of grammar teaching and language acquisition It begins with a theoretical analysis of linguistic categories across diverse languages progresses through the links between linguistic research and teaching methodologies and delves into the role of empirical data in classroom applications The final section focuses on the practical implementation of linguistic categories in language teaching promoting a deeper understanding of grammar as a dynamic component of language learning

Language Learning with Digital Video Ben Goldstein, Paul Driver, 2014-10-30 *Language Learning with Digital Video* is an ideal resource for teachers and trainee teachers who are interested in using video content in their classroom

GO FOR GOLD With Your Writing Ifeoma Okoye, 2016-12-28 *GO FOR GOLD With Your Writing* shows you

how to write gold winning sentences sentences that are error free clear concise varied and mature The book shows you step by step how to construct basic sentences which form the backbone of all sentences and how to expand basic sentences by modification subordination and coordination thereby turning them into the kind of sentences that mature writers use in their writing

Pictures for Language Learning Andrew Wright,1989-11-16 This richly illustrated book provides a valuable guide to the role of pictures and other visual materials in language teaching It brings together a wealth of ideas on how to use pictures in a wide range of language learning situations The first section discusses the contribution visuals can make to all the classroom settings in providing real opportunities for students to communicate whether they are working as a class in groups or in pairs Sections B and C contain over 200 practical suggestions for picture generated language work These make use of visual materials which are readily available to teachers anywhere or illustrations which have been kept simple so that they can be copied easily The activities can be integrated into all stages of the language teaching process and advice is given on how to adapt the ideas to suit different teaching environments The final section describes the process of setting up a picture library and offers guidance on where to begin looking for visuals how to categorise pictures and different methods of storage

The British Library General Catalogue of Printed Books, 1986 to 1987 British Library,1988 **Reading 2007 English Language Learners and Transition Handbook Grade 3 Through 6** Peter Afflerbach,2005-07
