Monster Breeding Erotica) Rowan Stone, When Arven is sentenced to the Maze he fully expects to meet his end beneath the claws and fangs of the monsters which dwell within Instead his scent attracts a minotaur whose lustful and possessive nature turns the omega's expectations upside down If Arven wants to survive he must learn how to please the minotaur become its mate and bear its young *Minotaur's Omega Mage (Gay M/M Monster Breeding Erotica)* Rowan Stone, 2025-05-30 Tobias

Unfortunately she's been a Vestal Virgin since she was a child When she is selected out of all the virgins in her village for sacrifice to the terrible beast who dwells below an ancient temple she hardly believes the stories of what evil lurks in the labyrinth until she meets him horns and all Theros the mighty Minotaur is the strongest biggest most powerful lover Aiden has ever known Actually he's the first lover she's ever known and as far as he's concerned one way or another he'll be the only one He's going to give her what she's always wanted while taking exactly what he needs This 17 000 word sizzling erotic novella features a rowdy muscular and magnificent Minotaur a trembling maiden and one unforgettable rough as you can want it breeding encounter Excerpt Wh what are you I said as his breath again caressed my prickling flesh and a sensation that I couldn't or didn't want to admit washed down my belly over my shoulders and down my back His response was another short laugh and then a snort I felt his face or his snout draw near me the cool damp of his nose on my cheek At first I thought he must just be a giant as tall as he stood but when I felt his bovine nose I knew all the terrible stories I'd heard as a young girl and as a vestal virgin in training were true I was in the clutches of the awful beast who made these underground tunnels his home He yanked me backwards again against his muscled stomach that rumbled with another laugh Through the clinging fabric I felt something else something hard and long and thick and sinful stretching from near my knee to where my legs met

Mmm the beast groaned He slid one of his fingers across my trembling lips that rubbed against the rough hood he'd thrown over me I fought and lost a battle to keep my jaw from shaking in terror and then I lost another one to keep my nipples from straining and aching when his hand brushed between them and his fingers curled on my belly Whatever this creature was he had muscles so large and so powerful that I knew I'd never seen their equal And if that weren't enough to chill me to the bone there was also the swelling thickness that I felt on the inside of my legs moving between them as he pushed my thighs apart Why are you doing this I said somehow through my chattering teeth He only stroked his sinful girth harder between my legs As ashamed as I was and as much as I hated to admit my feelings the way he held me against his body and how his cock was hardening against my untouched sex made a terrible pleasing heat bubble up from inside Shh he whispered gently as he ran his hand down my leg to the knee and then back up underneath my clinging tunic The tips of his fingers slid along his warm length and along my gentlest softest parts He sniffed my hair again and withdrew leaving me with a sinful desire to push myself on him and urge him to continue Shaking my head cleared the thoughts though somewhere deep down I wanted nothing more than for him to touch me again
