More Proficient Motorcycling David L Hough:

Mastering the Ride David L. Hough, 2012-07-10 Best selling author David Hough is the anti bad ass of motorcyclists a serious down to earth master of two and three wheeled street rods who is interested in the safety and road smarts of his fellow motorcyclists Mastering the Ride is his follow up book to one that put him on the map Proficient Motorcycling and it goes one better For motorcyclists ready to take their rides to the next level Mastering the Ride is an exhilarating course in skills safety and common sense Hough s writing style is straightforward and conversational never professorial preachy or boring With instructional color photographs and drawings the book covers improving the rider s skills of speed and passing on superslabs mountain roads and city streets anticipating and handling street and road hazards from treacherous tar snakes to lane weaving drivers and learning the limits of sight distances executing quick stops at sudden hazards as well as curves The book devotes two full chapters to the skills involved in mastering cornering with specific advice about rolling on and off the throttle shifting braking countersteering body steering and positioning and cornering lines In the chapter Mastering the Art of Conspicuity Hough recommends riders understand and employ conspicuity that is understanding how motorcyclists and car drivers see their surroundings and getting others to see you on the road by use of hi viz clothing LED lights and other gear The key to safety rests in increased situational awareness the topic of the next chapter the ability to predict how road events will unfold by thinking through the possibilities way before a potential hazard presents itself Thanks to Hough s direct and specific instructions to riders for what they need to know to improve to avoid and to do every time they get on their bikes this chapter and the skills it describes are nothing short of life saving In short Mastering the Ride is a crash course in how not to crash that is after all is read and done what every motorcyclists must avoid for his own life and the lives of others on the road As Eric Trow a motorcycle safety journalist and instructor states on the back cover Mastering the Ride should be required reading for every road going motorcyclist and become the companion of any rider serious about advancing his or her road craft Voni Graves the record setting million mile BMW rider is a long time Hough fan who relied on Hough s wisdom back in the 1970s when the author was a columnist The latest from David brings together his years of experience and his unique analysis to make the case for mastery in a conversational way that makes Mastering the Ride impossible to put down The breadth and depth of the information is astounding A section on the aging rider including ways to compensate for older riders slower reaction times and readapting their skills is included in the appendix as is a travelogue of Hough s road trips to some of his favorite locations A glossary resources section and index complete the book More Proficient Motorcycling David L. Hough, 2010-10-26 Written as a stand alone or follow up to David L Hough s wildly successful duo Proficient Motorcycling and Street Strategies this book contains invaluable lessons for avoiding nasty accidents Presenting new tips and topics geared toward protecting riders from road dangers with a special focus on mental and physical preparedness Diagrams examples plain talk and Hough s practical attitude make this one of the most accessible guides available *Street*

Rider's Guide David L. Hough, 2014-10-14 A completely revised and updated edition of David Hough's successful book *Street Strategies* the all new *Street Rider's Guide* spells out safety tactics for motorcycle riders looking to get the most out of their favorite hobby for as long as possible Covering topics from A to Z *Street Rider's Guide* is the new go to handbook for motorcyclists who want quick solutions to nearly 100 commonly encountered obstacles and road challenges what safety experts like Hough call increasing a rider's situational awareness As Hough writes in the introduction the most important way to avoiding crashes is to figure out what's happening While many books exist on the market for riders looking to improve their ride or get better control of their bikes no book out there is dedicated to helping riders develop their situational awareness which is the most critical skill a rider can have **INSIDE STREET RIDER'S GUIDE** Alphabetically arranged topics from Alley Acumen to Zone Woes Short descriptions of over 80 critical situations selected by the author Expert tips about how to recognize oncoming hazards and how to avoid them Each entry accompanied by a color photograph to illustrate real life situation

Proficient Motorcycling, 3rd Edition David L. Hough, 2025-04-01 The book *Proficient Motorcycling Third Edition The Ultimate Guide to Riding Well* is essential reading for all motorcyclists regardless of their years of experience Author David L Hough a revered motorcycle author columnist and riding safety consultant lays out a clear course for all riders who want to sharpen their handling skills and improve their rides In this third edition each chapter has been updated and expanded to include information on getting started riding general safety a description of motorcycle gears and types of motorcycles along with equipment that can be added to the bike Still in full color this book still offers the sage advice from a riding master on what they need to do to be prepared for anything on the road how to avoid accidents and how to handle the unexpected There is an added section featuring exercises to do with the motorcycle to gain skill and confidence on the road and an appendix which features charts and graphs with updated information and statistics on riding motorcycles The resources glossary and index have all been updated as well Learn to ride safely with this ultimate motorcycling guide
