Rainer,1979-07-01 The New Diary is about a completely modern concept of journal writing It has little to do with the rigid daily calendar diary you may have kept as a child or the factual travelogue you wrote to recall the Grand Canyon Instead it is a tool for tapping the full power of your inner resources The New Diary is as much for those who already keep a journal as it is for those who have never kept one It does not tell you the right way to keep a diary rather it offers numerous possibilities for using the diary to achieve your own purposes It is a place for you to clarify goals visualize the future and focus your engergies a means of freeing your intuition and imagination a workbook for exploring your dreams your past and your present life It is for everyone seeking concrete methods for dealing with personal problems It is for women and men interested in achieving self reliance and inner liberation for artists and writers seeking new techniques for overcoming blocks to creativity *Benjamin Disraeli Letters: 1857-1859* Benjamin Disraeli,John Alexander Wilson Gunn,Melvin George Wiebe,1982-01-01 Benjamin Disraeli was perhaps the most colourful Prime Minister in British history This seventh volume of the highly acclaimed Benjamin Disraeli Letters edition shows also that he was a dedicated resourceful and farsighted statesman It contains 670 letters written between 1857 and 1859 They address friends family political colleagues and not least Queen Victoria and Prince Albert During this period Disraeli shepherded a fragile Conservative government through the Indian Mutiny the Second Opium War with China the Orsini bomb plot and the Franco Austrian Piedmontese War only to fail at home over parliamentary reform Day by day politics and behind the scenes strategy dominate while lighter hearted letters to friends and family reveal the private Disraeli s charm and wit With an appendix of 115 newly found letters dating from 1825 as well as information on 219 unfound letters full annotations to each letter an exhaustive name and subject index and a comprehensive introduction this volume will be a vital resource for new understanding of this enigmatic statesman
