World of Warcraft: Community Statement

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures: reorient or relocate the receiving antenna; increase the separation between the equipment and receiver; connect the equipment into an outlet on a circuit different from that to which the receiver is connected; or consult the dealer or an experienced radio or TV technician for help.

The user should not make changes or modifications not expressly approved by NetScout Networks. Any such changes could void the user's authority to operate the equipment.

This Class II digital apparatus complies with Canadian CSIS-001. Cet appareil numérique de la classe II est conforme à la norme NBR-001 du Canada.

This device complies with the essential requirements and other relevant provisions of RRTT (Directive 1999/5/EC). A copy of the Declaration may be obtained from: T-Mobile Networks GmbH address: Postfach 10 15 18, 80607 Munich, Germany.

Use only with Raritan approval! Limited Power Source (output rated 600 VA AC, 120VAC) OR using Power over LAN option, including standard power over Ethernet

Warning: The coprocessor/antenna region of the handset can attract and retain small objects. Privacy of communications may not be assured when using the telephone. To prevent radio interference to the licensed network, the device must be operated within city and should be kept away from airplanes to provide maximum shielding.
