Irish History and the Irish Question (Classic Reprint) Goldwin Smith, 2015-06-30 Excerpt from *Irish History and the Irish Question* A long summer was spent by me in that loveliest of all parks the Phoenix Park as the guest of Edward Cardwell then Chief Secretary and real head of the Irish government Under Cardwell's roof the Irish Question was fully discussed by able men Robert Lowe among the number But I had a still greater advantage in constant and lasting intercourse with such friends as Lord Chancellor O'Hagan Sir Alexander Macdonald the head of the Education Department and other leading Irish Liberals of the moderate school ardent patriots and thoroughgoing reformers though opposed to violence and disruption To the teachings of these men in dealing with the Irish Question I have always looked back for my best guidance I did what I could generally to acquaint myself with the country and its people I had the opportunity of seeing something of Maynooth as the guest of its excellent principal in that day At that time there was rather a lull in the agrarian war but religious antagonism was still marked About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **Great Britain and the Irish Question 1800-1922** Paul Adelman, Robert D.

Question Lawrence John McCaffrey,1995 The many dimensions of the Irish Question 1800 1922 constituted the most emotion laden problem in British politics often to the detriment of other imperial interests a Gordian knot only severed by the establishment of the Irish Free State in 1922 In this volume Lawrence J McCaffrey presents a coherent view of the evolution of Irish nationalism since 1800 and the impact of the Irish Question on British culture politics and institutions The emotional nexus of the Irish Question was the religious issue but McCaffrey believes that nationalism emerged from the attempt of the Irish Protes The Irish Question Nicholas Mansergh,2022-11-14 Originally published in 1940 but here reissuing the revised third edition of 1975 this book analyses the Irish Question The study is not a narrative history While the problems with which it deals have been suggested by the period it covers it is with the problems and not the period that it is focussed on Those problems are the interrelation of economic and social with political forces the impact of Irish discontent on the Liberal conversion to Home Rule the character of the political cultural and social forces behind revolutionary Irish nationalism and the changing nature of the concept itself Much attention is given to the implications of Anglo Irish relations in the wider context of nationalist imperial conflicts and critical studies are made of the writings of de Tocqueville Cavour Marx Engels and Lenin among others on the Irish Question **Irish History and the Irish Question - Scholar's Choice Edition** Goldwin Smith,2015-02-17 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and

The Irish Question William Ewart Gladstone, 1886

The Irish Question Lawrence John McCaffrey, 1995-11-09 From 1800 to 1922 the Irish Question was the most emotional and divisive issue in British politics It pitted Westminster politicians anti Catholic British public opinion and Irish Protestant and Presbyterian champions of the Union against the determination of Ireland's large Catholic majority to obtain civil rights economic justice and cultural and political independence In this completely revised and updated edition of *The Irish Question* Lawrence J McCaffrey extends his classic analysis of Irish nationalism to the present day He makes clear the tortured history of British Irish relations and offers insight into the
