

THE CHARLES DICKENS COLLECTION

Volume Three

Little Dorrit Charles Dickens Collection English Edition

Charles Dickens

Little Dorrit Charles Dickens Collection English Edition:

Little Dorrit Charles Dickens, 2016-08-29 *Little Dorrit* is a novel by Charles Dickens originally published in serial form between 1855 and 1857. It satirizes the shortcomings of both government and society, including the institution of debtors' prisons where debtors were imprisoned unable to work until they repaid their debts. The prison in this case is the Marshalsea, where Dickens's own father had been imprisoned. Dickens is also critical of the lack of a social safety net, the treatment and safety of industrial workers, as well as the bureaucracy of the British Treasury in the form of his fictional Circumlocution Office. In addition, he satirizes the stratification of society that results from the British class system. Little Dorrit Illustrated and Annotated Edition by Charles Dickens

Charles Dickens, 2020-04-27 Upon its publication in 1857, *Little Dorrit* immediately outsold any of Dickens's previous books. The story of William Dorrit, imprisoned for debt in Marshalsea Prison, and his daughter and helpmate Amy, or Little Dorrit, the novel charts the progress of the Dorrit family from poverty to riches. In his Introduction, David Gates argues that the intensity of imagination is the gift from which Dickens's other great attributes derive: his eye and ear, his near-universal empathy, his ability to entertain both a sense of the ridiculous and a sense of ultimate significance. **Little Dorrit illustrated**

Charles Dickens, 2021-08-18 *Little Dorrit illustrated* Charles Dickens. Originally published as a serial from 1855 to 1857, Dickens's novel *Little Dorrit* tells the story of Amy Dorrit, the youngest child of her family, born and raised in a debtors' prison whose life is changed when she meets Arthur Clennam, returning home from a 20-year absence. *Little Dorrit* heavily criticizes societal shortcomings of the time, in particular the existence of debtors' prisons where Dickens's own father was incarcerated. This classic work is being republished now in a new edition complete with an introductory chapter from *Appreciations and Criticisms of the Works of Charles Dickens* by G. K. Chesterton. Charles John Huffam Dickens (1812-1870) was an English writer and social critic famous for having created some of the world's most well-known fictional characters. His works became unprecedentedly popular during his life, and today he is commonly regarded as the greatest Victorian-era novelist. Although perhaps better known for such works as *Oliver Twist* or *A Christmas Carol*, Dickens first gained success with the 1836 serial publication of *The Pickwick Papers*, which turned him almost overnight into an international literary celebrity thanks to his humour, satire, and astute observations concerning society and character. **Little Dorrit** Charles Dickens, 1863
