Eldenburg, Albie Brooks, Judy Oliver, Gillian Vesty, Rodney Dormer, Vijaya Murthy, Nick Pawsey, 2020-01-21 Eldenburg's fourth edition of Management Accounting combines the basic technical issues associated with cost management, management accounting and control with more recent and emerging themes and issues. Management Accounting is a compulsory element of the accounting major and this text is written to cover the content typically taught in the two management accounting units offered in most accounting programs. The Management Accounting interactive e-text features a range of instructional media content designed to provide students with an engaging learning experience. This includes case videos, interactive problems and questions with immediate feedback. Eldenburg's unique resource can also form the basis of a blended learning solution for lecturers.
