Managing Fashion And Luxury Companies Management:

Managing Fashion and Luxury Companies Erica Corbellini, Stefania Saviolo, 2009 *Luxury Fashion Marketing and Branding* Alice Dallabona, 2024-08-22 *Luxury Fashion Marketing and Branding* offers a comprehensive analysis of the key theories and concepts needed to understand the promotion of luxury fashion products. It covers subjects including luxury fashion retailing, digital marketing and communication, data analytics, emerging technologies, consumer behaviour and PR. The textbook also offers a focused discussion of the challenges faced by luxury fashion brands to meet growing customer demand for ethical and sustainable practice, including concerns related to diversity, inclusivity and cultural sensitivity. This textbook is grounded in business practices featuring real world examples and international case studies from both established and modern brands. Chapter objectives and summaries aid comprehension whilst end of chapter questions and activities enable further research and discussion. *Luxury Fashion Marketing and Branding* is ideal for advanced undergraduate and postgraduate students of fashion marketing and communications, luxury fashion business and luxury brand management. Its applied approach will also make it suitable for those studying for an Executive MBA in Fashion and Luxury Management. Online resources include an instructor's manual, lecture slides and a test bank. *Fashion Branding and Consumer Behaviors* Tsan-Ming Choi, 2014-01-30 *Fashion Branding and Consumer Behaviors* presents eye opening theory, literature review and original research on the mutual influence of branding strategies and consumer response. Contributors use multiple methods to analyze consumers' psychosocial needs and the extent that their fulfillment goes beyond the usefulness or value of the items they purchase as well as the fashion industry's means of communicating brand identity and enhancing brand loyalty. Along the way, these studies raise important questions about consumer behaviors, consumer welfare, environmental ethics and the future of consumer research. Included in the coverage: A symbolic interactionist perspective on fashion brand personality and advertisement response; Optimizing fashion branding strategies in a fluctuating market; An analysis of fashion brand extensions by artificial neural networks; Domestic or foreign luxury brands; A comparison of status and non status seeking teenagers; The impact of consumers' need for uniqueness on purchase perception; How brand awareness relates to market outcome; brand equity and the marketing mix; A breakthrough volume on the complexities of how and why we buy. *Fashion Branding and Consumer Behaviors* will captivate researchers and practitioners in the fields of consumer psychology, marketing and economics. *The Art of Digital Marketing for Fashion and Luxury Brands* Wilson Ozuem, Silvia Ranfagni, 2021-07-17 This book explores omnichannel fashion and luxury retailing with a particular emphasis on the role of computer mediated marketing environments in determining a consumer's purchase and post purchase trajectories.
