Library,1962 Life in Mani Today Mickey Demos,2011-02-25 Some insight into Life in Mani Today The Road to freedom Not since the advent of British writer Patrick Leigh Fermors book Mani Travels in the Southern Peloponnesus more than fifty years ago has there been an historic update written in English concerning this land and its people from a new and very different perspective Miami born Greek American urologist Dr Mickey Demos exposes the Mani from a unique angle in his book Life in Mani Today The Road to Freedom This has been a project that the contributing editor Panayiotis Kokkinias has spent nearly two years preparing for publication Kokkinias spent much of this past year in Mani working with Dr Demos who wanted to create an up to date version to the changes in history which he discovered when he moved to Mani His reasoning was based on the fact that his entire family origin began here centuries ago and until he turned 69 years of age he had never even visited Greece Now at 80 he was on a quest that encompassed an eleven year odyssey Realizing the passion Kokkinias had for writing based upon a number of book and periodicals that he had authored and which Demos had read he asked Kokkinias to help him organize and complete his 600 pages of thoughts into a concise book format and get it published Demos was a natural Kokkinias said in an interview relating to the Doctors ability to capture the stories he relates in Life in Mani Today So many people of Greek descent have had their roots in Mani and the stories abound reflecting the traits and characteristics of these wild mountain people who all claim to have a direct connection to a man named Petros Mavromichalis one of the greatest freedom fighters in Hellenic history So many myths superstitions battles wild stories songs poems hearsay as well as vampires bats vendettas and the power of the evil eye are just the beginning along with the warning to those who so much as mention the word Mani to anyone outside of this region Everybody in Greece knew about Mani and had something to say about the place You had better watch yourself Those people in Mani are dangerous Life in

Mani Today will give new insight into what has transpired over these past 50 plus years It is not a dry historical chronology but a lively look with some comic relief about life in the old country You might be surprised at what has changed and more surprised at what has stayed the same Here is an opportunity to learn more about a part of Greece that has remained independent of the rest of the mainland for many years How these people have survived and succeeded in life and have stayed free from a lot of the politics that currently threaten the financial stability of this great country continues as a credit to their hard work their intelligence and their use of common sense *Whitaker's Cumulative Book List* ,1959 *The Dictionary of 20th Century British Book Illustrators* Alan Horne,1994 This comprehensive reference companion volume to Dictionary British 19th Century Book Illustrators contains information on some 1000 British illustrators *Guide to General Books* ,1957
