Monsters and Sex (Paranormal, Filthy Erotic Bundle) Bundles Midnight Climax (author), 1901 **Monster Lovers** Veronica Sloan, Your slimiest dreams are about to come true In this collection of fantastical erotica women are seduced by the strangest and horniest lovers in the galaxy From naughty tentacles to lustful orcs Veronica Sloan brings you four tales of breeding bondage and impregnation In the first captivating tale a new addition to the aquarium pulls intern Kimmy Noguchi into a sticky situation How can she refuse the creature's clammy caresses when an entire species depends on her In No Orc's Whore a beautiful barbarian must distract a tribe of orcs with the one weapon they're powerless to resist In M'nage Tentacle a naive marshal journeys to the planet New Dorado and befriends a beautiful bounty hunter and her partner a tentacled alien that feeds on female arousal Finally in Defiled by the Dragon an arrogant princess is kidnapped by a dragon and accepts a most indecent proposal This bundle of eldritch erotica is 34 000 words and is for readers 18 and up Cover art created by TheKite Excerpt From M'nage Tentacle One rambunctious tentacle wiggled its beak into her deep cleavage and she slapped it like a naughty child I said behave you creep The tentacle retreated beak downcast in an unmistakable sulk Ohhh baby she intoned She took it in her hands and gently pried the beak open with her thumb The tentative tongue reappeared And with it the slick pink head I watched with a curious mixture of disgust and fascination as the tongue slithered into her mouth and gently probed her cheeks She bit down on it playfully and giggled as it made a sound like a raspberry The tongue retreated into the glistening slit on the pink head which Thorn stroked with her satin thumbs and then kissed Mollified the head retreated into the beak and the tentacle rolled against her neck like a sleepy snake Grapla are psychoforms she said You and I need material things to survive Food water sunlight Grapla resonate to life itself They prefer raw emotions Fear is particularly potent which is why they make such effective partners The Grapla took great pride in what she said Its tentacles rose in a lethal chorus and trilled a dozen haunting tones that melted and faded and complemented each other It was a stirring sound accompanied by the hollow clacks of its deadly beaks opening and shutting like hungry

birds For a moment the saloon went silent Large men cyborgs and thuggish hybrids of all shapes and sizes clutched their drinks in fear The sound had its most visible effect on Thorn Her cheeks flushed her bosom lifted with unconcealed longing She pulled two tentacles from the pack and let them drape across her chest But love is their life she said They die quickly without companionship They don't grow large in the wild Some can get by scavenging at the fringes of population centers but they need a mate to thrive Someone who loves them unconditionally She kissed the tops of her lover's heads Do you ever miss the touch of your own kind I asked Another smirk I had plenty of lovers men and women and otherwise before I began my trial There were skilled lovers certainly but even the greatest geishas on Rao's moons cannot compare to Strabo The tentacles excited by her praise wriggled beneath her like a bouncing throne She stroked a thick vein that throbbed beneath its skin No one has ever loved me longer deeper more completely No lover has ever trusted me so fully or given me such respect I am his wife his mistress his one and only And he is my world

Tentacle Monster In The Woods Mons Erony,2021-10-04 It's not the first time Arian has gone camping out in the woods but there's something different about the silence around her The park rangers had reacted in a peculiar manner when she told them that she plans to stay here for the entire week She's aware of the urban legends around these parts The stories go that people who come in here do not emerge at all but she dismisses them as just that Stories Arian is used to the feeling of being watched when she's out in the woods all on her own Time and experience have reassured her over that it's just paranoia and she will embrace the newfound peace about her She learns soon enough that there is nothing peaceful in the shadows of the woods There is a creature here that means to claim her in every way imaginable PG Excerpt At first she thinks it's just another noise that has shaken her awake It won't be the first time she's woken up in the middle of the woods because some curious creature had snuck up to her tent in the middle of the night Except this creature has somehow managed to unzip her tent and wrap its hand around her ankle slowly pulling her out It must have realized that she had startled awake when she makes a loud noise of distress kicking out in panic The world is suddenly upside down She manages a shocked yelp as the ground rushes away from her and she's yanked up by her leg the blackness of night swallowing her vision Fear pulses in her veins and it is more than a little disorienting when she is held upside down by her assailant It must be a bear No other creature would be big enough to lift her like this so easily Blood rushes to her head in her position and it takes a moment for her vision to clear up well enough that she can see where she is

but seeing doesn't make things any easier. If anything, she is even more confused by what exactly she's being held up by. At first, she thinks it's just a mess of shadows, a trick of the light making the creature look like it has more limbs than anatomically possible, but that's just her brain trying to make sense of the monster she's seeing. One Night with Tentacles (Tentacle Sex, Monster, Paranormal Erotica) Dalia Daudelin, 2013-04-26

Roxie was a timid woman stuck in a rotten relationship with a man who hated her weight and her looks. She had plans to dump him, but on the night when the world was supposed to end, she wanted to be with someone. Then he broke up with her. She found her way down to the beach to clear her head and found herself held by monstrous tentacles that would have their way with her body. This was only the beginning for our big beautiful heroine.

Tentacle Erotica Bundle 3 Talia Trace, Three women, three sizzling hot stories of women being ravished by the tentacles. Take a peek into their down and dirty dealings as they're tied up and taken by the things of myth and legend.

Tentacles in the Lab Maggie's always found strange and unusual creatures in her job as a marine biologist, but she wasn't prepared for the strange weirdness of her lab's new occupant. Descended from ancient gods of old, the creature has an appetite for seducible women. And Maggie, intrigued and titillated by the creature's past, is all too willing to let it indulge. Agile and flexible, the creature is willing and able to pin Maggie down and use her to its most perverted ends.

Researching the Tentacles Sarah has been investigating a strange phenomenon that women have been experiencing. The same monster keeps showing up in the pictures that she's uncovered, leading her further into the mystery. But it's not until one of her friends gives her access to her lab and the specimens inside it that Sarah is able to experience the phenomenon for herself.

Researching the Tentacles 2 Sarah's new and intriguing research subject has already shown her indescribable things, and she wants more. Joined by her equally entranced friend Maggie, the two take a boat out into the middle of the ocean to search for meaning, for explanation, but most of all, for pleasure. But the two are pulled underwater to confront the creatures that started it all, and Sarah and Maggie indulge in their desires, not only with things of myth but also with each other.
