Morogh the Demon Maren Smith, 2009-05 For a power hungry wizard Summer looked like the perfect sacrificial victim God knows finding a virgin in this day and age was damn near impossible but one had to be willing to pay even the most difficult price especially when one intended to ask a demon for immortality Naked trussed hand to foot on an altar of stone the only thought in Summer's panic stricken mind was this wasn't medieval times how could this be happening But it was happening What's more it was happening to her With no hope of rescue Summer had no resort but to try and save herself Suddenly someone else was in the room Birthed from the shadows the demon Morogh answers the wizard's call Summer he finds very much to his liking It's a small thing to rescue her whisking her off to a deserted island and healing her injuries but his rescue doesn't come without a price And whether she desires it or not Summer will pay it even if he must first woo her into submission Contains adult spanking scenes
