Mark Steyvers

Italian Beef With Cheese Sandwich Recipe:

30-Minute Meals For Dummies Bev Bennett, 2011-04-20 Walking into a kitchen that's filled with cooking aromas is a delightful and comforting experience. Yet between work chores, family obligations, and a badly needed opportunity to unwind, you find it difficult to get dinner on the table within the time limits that life imposes on you. But cooking a great tasting meal isn't nearly as time consuming as it's made out to be, and you don't have to be a chef to pull it off. If you forgot how enjoyable a home cooked meal can be, *30 Minute Meals For Dummies* is your best resource. If you can identify with any of these descriptions, this book is for you. Between your frantic day and the demands of your personal life, you're looking for ways to free up a few minutes. Cooking is one of the activities that gets shortchanged. Tired of spending your evenings in your car, you long for some semblance of dining at home, pleasure instead of inching around a parking lot waiting for your chance to order dinner from a metal box. You're not looking to prepare a five course meal. You want self contained meals that please, satisfy, and get the job done with minimal hassle. *30 Minute Meals For Dummies* shows you how to make one dish meals that include vegetables, starches, and the traditional meat. You'll transform soup and salad side dishes into hearty main courses and turn your skillet into a one dish dinner utensil. You often get everything a meal has to offer in one dish, well, besides adding a scoop of ice cream to the top of your jambalaya for dessert. This book is structured around the equipment, ingredients, and recipe choices that fit your time frame. Each page is packed with my kitchen tested suggestions for streamlining cooking. Even if you're an experienced cook, you can pick up useful hints. You get great recipes for classic meals, new dishes, and so much more in these chapters. You'll be pleased to know that you can fix nourishing and memorable dinners within your time frame. So ladies and gentlemen, start your ovens.

American Sandwich Becky Mercuri, 2009-09 Got a hankering for a Kentucky Hot Brown, A serious need for a Navajo Taco, Craving an authentic Florida Cuban? Then this is the cookbook for you. You can thank John Montagu, the Fourth Earl of Sandwich, for its invention, though he probably wasn't the first guy to put stuff between two pieces of bread. No matter who created it, the sandwich is still the king of food in America. We eat more than 45 billion sandwiches per year, with the average person consuming 193 sandwiches annually. That's a lot of mustard. From Po Boys to Lobster Rolls, Buffalo Burgers to Muffalettas, Becky Mercuri has a recipe for every sandwich imaginable and a location in each region where you can find the real thing. Or fix up a mess of your favorite regional sammies without ever leaving the comfort of your own kitchen. Learn about the history of the sandwich, the birth of Wonder Bread, the influence of immigrant flavors and foods, and the origins of each unique regional specialty sandwich in this affordable little American culinary road trip.

Nutrient Values of Master Menu Recipes and Food Items, 1985 [The Perini Ranch Steakhouse Cookbook](#) Lisa Perini, Tom Perini, 2025-11-18 Bring the bold flavors and rustic charm of Texas straight to your kitchen with the official cookbook from the legendary Perini Ranch Steakhouse.
