Le Royaume Tome Les Armes De Maître Marcel:

Le Royaume - Tome 5 - Les Armes de maître Marcel Benoît Feroumont, 2013-05-03T00:00:00+02:00 Le paisible Royaume s'apprête à vivre des heures sombres. Le maître forgeron Marcel pour faire prospérer ses affaires a attiré de dangereux bandits payés pour semer la terreur et pousser les habitants à s'équiper en armes. Videllement forgées dans son atelier, les lances sont si efficaces que les bandits se verraient bien maîtres d'un si gentil et si prospère royaume. Une nouvelle aventure rondement menée par Benoît Feroumont qui nous régale d'une histoire savoureuse, drôle et pleine de rebondissements.

Le Royaume - Tome 7 - La meilleure pâtissière Benoît Feroumont, 2023-03-17T00:00:00+01:00 Ce tome 7 du Royaume est une compilation d'histoires courtes et de gags parus dans le journal Spirou. On y retrouve tout le charme, la légèreté et l'humour de la série créée en 2008 par Benoît Feroumont. La vie n'est pas un long fleuve tranquille au Royaume, le forgeron François n'a qu'un but dans la vie : pousser la jolie tavernière Anne. Mais ses tentatives de séduction manquent cruellement d'originalité et de romantisme, puisqu'elle se font en général base de bouquets de fleurs en acier. Et puis Anne a d'autres ambitions, plus sociales que conjugales : d'ailleurs, elle veut réussir sa vie professionnelle et toute son énergie est dirigée vers la bonne gestion de son auberge. Jusqu'au jour où un trop beau maître-nestlé débarque au Royaume.

Heroes, Heroines, and Everything in Between Christopher J. Olson, Carrie Lynn D. Reinhard, 2017-09-20 Current characters in children's entertainment media illustrate a growing trend of representations that challenge or subvert traditional notions of gender and sexuality. From films to picture books to animated television series, children's entertainment media around the world has consistently depicted stereotypically traditional gender roles and heterosexual relationships as the normal way that people act and engage with one another. *Heroes, Heroines, and Everything in Between: Challenging Gender and Sexuality Stereotypes in Children's Entertainment Media* examines how this media ecology now includes a presence for nonheteronormative genders and sexualities. It considers representations of such identities in various media products, e.g., comic books, television shows, animated films, children's literature meant for children, e.g., toddlers to teenagers. The contributors seek to identify and understand characterizations that go beyond these traditional understandings of gender and sexuality. By doing so, they explore these nontraditional representations and consider what they say about the current state of children's entertainment media, popular culture, and global acceptance of these gender identities and sexualities.
