ESSAY # 1: Women in China at the beginning of the 20th century

China was suffering from a great loss in the beginning of the 20th century, since half of its citizens were not able to contribute to the country. The society at that time was male-dominated, so though women comprised almost half of the total population, they had actually a very little part to play in uplifting the country economically, socially and intellectually. Nevertheless, Chinese women should not be blamed for that. They had their own reasons for being so unproductive, which they later tried to overcome successfully.

Firstly, they were physically confined. This takes us back to the practice of foot binding in China, which started early in the 10th century by a prince who loved the small "lily feet" of his concubine. The Teacher's Guide to Media Literacy Cyndy Scheibe, Faith Rogow, 2012 A Deeper Sense of Literacy is the first book to suggest that media literacy is both a content area and an approach to teaching that can be integrated into any subject area. It combines theory and practical application in a way that addresses the most important questions related to media literacy in education today: what is it? why is it important? how can you teach it across a wide range of curriculum areas and grade levels and does it work? Rather than focusing on how to teach media literacy, Scheibe and Rogow focus on actually using media literacy to teach lessons across the content areas. *A Million Little Things* Susan Mallery, 2017-02-28 From the bestselling author of *The Girls of Mischief Bay* and *The Friends We Keep* comes a twisty tale of family dynamics that explores what can go terribly hysterically wrong when the line between friendship and family blurs. Zoe Saldivar is more than just single; she's alone. She recently broke up with her longtime boyfriend, she works from home, and her best friend Jen is so obsessed with her baby that she has practically abandoned their friendship. The day Zoe accidentally traps herself in her attic with her hungry-looking cat, she realizes that it's up to her to stop living in isolation. Her seemingly empty life takes a sudden turn for the complicated: her first new friend is Jen's widowed mom Pam. The only guy to give her butterflies in a very long time is Jen's brother. And meanwhile, Pam is being very deliberately seduced by Zoe's own smooth-as-tequila father. Pam's flustered, Jen's annoyed, and Zoe is beginning to think alone doesn't sound so bad after all. *Friendship isn't just one thing; it's a million little things, and no one writes them with more heart and humor than Susan Mallery.* *Mischief Bay Collection Volume 1* Susan Mallery, 2019-04-15 Fall in love with *Mischief Bay* in these four heartwarming tales of friendship and sisterhood from #1 New York Times bestselling author Susan Mallery. *The Girls of Mischief Bay*: Three friends—Nicole, Lord Shannon, and Pam Eiland—are struggling. Nicole wants to be a good wife, but she is overwhelmed when her husband quits his job. Shannon became a VP at her firm but only by sacrificing her personal life. Now she wonders whether she made the right choice. Pam adores her husband but she feels restless now that the kids are grown. Through romance and heartbreak, laughter and tears, these women will discover that life is richer with friends at your side. *The Friends We Keep*: After five years as a stay-at-home mom, Gabby Schaefer can't wait to return to work. Unfortunately, when her plans are derailed, Gabby must fight for the right to have a life of her own. Getting pregnant is easy for Hayley Batchelor; staying pregnant is the hard part. Nicole Lord is tempted by a new guy who challenges her to believe maybe the second time's the charm. Gabby, Hayley, and Nicole will rely on good food, good wine, and especially each other to navigate life's toughest changes. *A Million Little Things*: Zoe Saldivar is more than just single; she's alone. Her best friend Jen is so obsessed with her baby that she has practically abandoned their friendship. Her seemingly empty life takes a sudden turn for the complicated when she befriends Jen's widowed mom Pam. And meanwhile, Pam is being very deliberately seduced by Zoe's father. Pam's flustered, Jen's annoyed, and Zoe is beginning to think alone doesn't sound so bad after all. **Red Carpet** Erich Schwartzel, 2022-02-08 This is a fascinating book. It will
